

- Documentation of costs and benefits of project as a result of the award (see project feasibility discussion at <http://www.fpl.fs.fed.us/tmu> under Woody Biomass Grants or at <http://www.grants.gov>).

- Documentation of intangible benefits. Examples of tangible and intangible benefits are listed on the Technology Marketing Unit's Web site at <http://www.fpl.fs.fed.us/tmu> (under Woody Biomass Grants) or at <http://www.grants.gov>.

- Long-Term Benefits of Project: Applicant should address the length of time the benefits and impacts are anticipated (e.g., project will have long-term consequences, such as equipment improvements, or a one-time benefit, such as a subsidy.)

- Expansion capability: Does the project have the potential to expand the application to additional forest treatment areas or to create higher valued uses?

A full description of each content item may be obtained from the Technology Marketing Unit's Web site at <http://www.fpl.fs.fed.us/tmu> (under Woody Biomass Grants) or at <http://www.grants.gov>, or by calling the telephone number in the **FOR FURTHER INFORMATION CONTACT** section, or by writing to the address in the **ADDRESSES** section of this notice.

b. Pre-Application Delivery. Pre-applications must be postmarked by November 2, 2007 and received no later than 5 p.m. Central Standard Time on November 9, 2007, by Patricia Brumm at the Forest Products Laboratory. Hand-delivered or fax applications will not be accepted. E-mail applications should be submitted through <http://www.grants.gov>. No exceptions allowed. Please send pre-applications to the address listed in the **ADDRESSES** section of this notice.

7. Full-Application Information

USDA Forest Service will request full applications only from those applicants selected in the pre-application process.

a. Full-Application Submission. Specific content and submission requirements for the full application are as follows: Each submittal must be composed of two paper copies (single-sided) of the pre-application and one original copy. All proposals for the full application must be on 8.5 by 11-inch plain white paper with a minimum font size of 11 letters per inch. Top, bottom, and side margins must be no less than three-quarters of an inch. All pages must be clearly numbered. The paper copies of the application package should be stapled with a single staple at the upper left-hand corner. Do not staple the

original. Other bindings will not be accepted.

b. Full-Application Content. SF 424 and 424A shall be submitted with the application for consideration. Assemble information in the following order: Cover page, SF 424, SF424A, project summary, project narrative, budget justification narrative, budget, financial feasibility, and appendices. The project narrative consists of statement of need, project coordinator(s) and partner(s), goals and objectives, technical approach work plan, impact on national forest system forest restoration activities, environmental documentation, project work plan and timeline, social impacts, evaluation and monitoring plan, and equipment description. The project narrative should provide a clear description of the work to be performed, how it will be accomplished, and its impact on National Forest System lands. It should address the technical approach work plan under criteria 2 listed in section 5. The project narrative is limited to a total of 10 pages and excludes cover page, budget justification, budget, appendices and financial documentation.

c. Detailed Financial Information. Detailed financial information is requested to assess the potential and the capability of the applicant. All financial information remains confidential and is not accessible under the Freedom of Information Act. If the applicant has questions about how confidential information is handled they should contact Patricia Brumm at pbrumm@fs.fed.us. The financial information should provide a general overview of historical and projected (pro forma) financial performance. Standard accounting principles should be used for developing the required financial information. Strong applications have benefited from the use of a certified accountant to develop this information. Applicants should refer to the Technology Marketing Unit's Web site at <http://www.fpl.fs.fed.us/tmu> (under Woody Biomass Grants) or at <http://www.grants.gov> for the financial information requirements, as well as Web sites for standard financial templates.

d. Full-Application Delivery. Full applications must be postmarked by February 1, 2008, and received no later than 5 p.m. Central Standard Time on February 8, 2008, by Patricia Brumm at the Forest Products Laboratory. Hand-delivered or fax applications will not be accepted. E-mail applications should be submitted through <http://www.grants.gov>. No exceptions allowed. Please send full applications to the

address listed in the **ADDRESSES** section of this notice.

8. Appendices

The following information must be included in the appendix of the pre-application and the full application package:

a. Letter of Support and Biomass Availability From Local USDA Forest Service District Ranger or Forest Supervisor Is Required: This letter must describe the status of National Environmental Policy Act (NEPA), acres, timeframes, available volumes, and opportunities for applicant to access these volumes. These letters shall be submitted with both the pre-application and full-application.

b. Letters of Support from Partners, Individuals, or Organizations: Letters of support should be included in an appendix and are intended to display the degree of collaboration occurring between the different entities engaged in the project. These letters must include commitments of cash or in-kind services from all partners and must support the amounts listed in the budget. Each letter of support is limited to one page in length.

c. Key Personnel Qualifications: Qualifications of the project manager and key personnel should be included in an appendix. Qualifications are limited to two pages in length and should contain the following: Resume, biographical sketch, references, and demonstrated ability to manage the grant.

Foreign-Trade Zones Board

[Order No. 1524]

Expansion of Foreign-Trade Zone 15, Kansas City, Missouri, Area

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board adopts the following Order:

Whereas, the Greater Kansas City Foreign Trade Zone, Inc., grantee of Foreign-Trade Zone 15, submitted an application to the Board for authority to expand FTZ 15 to include three additional sites (Sites 10-12) in the Kansas City, Missouri, area, to restore six acres to Site 8, to establish temporary Site 8T as permanent in Chillicothe, and to delete acreage from Site 7 located in Kansas City, adjacent to the Kansas City Customs and Border Protection port of entry (FTZ Docket 47-2006; filed 12/14/06);

Whereas, notice inviting public comment was given in the **Federal Register** (71 FR 77369, 12/26/06), and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the

examiner's report, and finds that the requirements of the FTZ Act and Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to expand FTZ 15 is approved, subject to the Act and the Board's regulations, including Section 400.28, and to the Board's standard 2,000-acre activation limit for the overall general-purpose zone project, and further subject to a sunset provision that would terminate authority on September 30, 2012, for any of the proposed sites (Sites 10-12) where no activity has occurred under FTZ procedures before that date.

Signed at Washington, DC, this 7th day of September 2007.

David M. Spooner,

Assistant Secretary of Commerce for Import Administration, Alternate Chairman, Foreign-Trade Zones Board.

Attest:

Andrew McGilvray,

Executive Secretary.
