OMB No. 0990-0001.

Abstract: The Department of Health and Human Services, Office of Global Health Affairs program deals with both research and clinical care waivers.

Applicant institutions apply to this Department to request a waiver on behalf of research scientists or foreign medical graduates to work as clinicians in HHS designated health shortage areas doing primary care in medical facilities. The instructions request a copy of Form G-28 from applicant institutions represented by legal counsel outside of the applying institution. United States Department of Justice Form G-28 ascertains that legal counsel represents both the applicant organization and the exchange visitor. One program change has been made: the category of Hospitalist has been added to eligible applicants in the Clinical Care waivers which was 35 respondents increase by 415 to 450 respondents and the burden was 350 increased by 4,150 to 4,500. The total burden was 800 hours; it has increased by 4,150 hours a total of 4,950.

Need and Proposed Use of the Information: Required as part of the application process to collect basic information such as name, address, family status, sponsor and current visa information.

Likely Respondents: Research scientists and research facilities.
