Existing Collection; New OMB Control No.: Rule 607; SEC File No. 270-568; OMB Control No. 3235-xxxx.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget ("OMB") for approval.

Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E (17 CFR 230.601 to 610a) to be filed with the Commission at least five days (excluding weekends

and holidays) prior to its use.¹ Regulation E allows the exemption of securities issued by a small business investment company ("SBIC") which is registered under the Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*) or a closed-end investment company that has elected to be regulated as a business development company ("BDC") under the Investment Company Act from registration under the Securities Act of 1933 ("Securities Act") (15 U.S.C. 77a *et seq.*), so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed for investor protection.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically. The burden of filing electronically, however, is negligible and there have been no filings made under this rule, so this collection of information does not impose any burden on the industry. The estimate of average burden hours is made solely for purposes of the Paperwork Reduction Act and is not derived from a quantitative, comprehensive, or even representative survey or study of the burdens associated with Commission rules and forms.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to
