Extension of Time Limits for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete its final results of review within 120 days after the date on which the preliminary results were published. However, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit. Section 751(a)(3)(A) of the Act allows the Department to extend the deadline for completion of the final results to 180 days from the date of publication of the preliminary results. As a result of the complex issues involved in this review, it is not practicable to complete this review by the current deadline of August 7, 2003. Therefore, we are now extending the time limit an additional 26 days, to September 2, 2003. *See Memorandum from Thomas F. Futtner, Acting Office Director, to Holly A. Kuga, Acting Deputy Assistant Secretary, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the main Commerce building.*

Dated: July 30, 2003.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Import Administration, Group II.
