

SUPPLEMENTARY INFORMATION: NTIA serves as the President's principal advisor on telecommunications policy and manages the use of the radio-frequency spectrum by federal agencies. See, 47 U.S.C. 902(b)(2). NTIA is hosting a symposium to focus on developing, implementing, and maintaining a sustainable national spectrum strategy along with a focus on evolving spectrum management techniques. These focal points will enable the United States to strengthen its global leadership role in the introduction of new wireless telecommunications technologies, services, and innovations, while also supporting the expansion of existing technologies and the nation's homeland security and public safety, national defense, scientific and technological advancement, and other critical government missions.

Leaders from the United States Government, including the Department of Commerce and the Federal Communications Commission, have been invited to provide keynote remarks. Panelists are expected to include participants from across the federal government, along with private sector and non-profit organizations. Prior to the symposium event, NTIA will post detailed program information on its website: www.ntia.gov.

The symposium is open to the public and members of the press to attend in person or to view through a webcast available on the NTIA website. NOTE: The National Press Club may ask attendees to show identification and proof of vaccination against COVID-19. While not required, NTIA asks that attendees, including those watching the online webcast, provide registration information prior to the event to include name, email address, and organization (optional). Registration information and the agenda, including any updates, will be made available on NTIA's website.

The event webcast will be close-captioned. Individuals requiring special accommodations, such as sign language interpretation or other ancillary aids, should notify Mr. Alden at the contact information listed above at least ten (10) business days before the event.

Josephine Arnold,

Acting Chief Counsel, National Telecommunications and Information Administration.

SUPPLEMENTARY INFORMATION:

Title: Associated Form; and OMB Number: Personalized Web-Based Sexual Assault Prevention for Service Members; OMB Control Number 0703-0080.

Type of Request: Revision.

Sexual Assault Prevention in Service Members Normative Survey

Total

*Number of Respondents: 587.
Annual Responses: 761.
Annual Burden Hours: 402.25.
Needs and Uses: The aim of this study is to assist in the adaptation of an existing web-based sexual assault prevention program for college men and women, for use among the Navy population. To achieve this aim, data will be collected in several ways and respondents will participate in only one type of data collection. First, responses to a normative survey will provide information about the behavior and attitudes of Sailors regarding alcohol use and sexual assault. Next, focus groups and interviews will be conducted to obtain feedback about the content of the intervention and ways to adapt it for Sailors. Interviewees and focus group respondents will be selected based on their drinking habits, which will be determined by a brief pre-interview/focus group survey. All data are anonymous, meaning that there is no way for us to match any personally identifiable information of any participant to their survey responses. After interview/focus group completion, a post-interview/focus group survey will be given to obtain non-personally-identifiable demographic and alcohol use information to be used as descriptive information, as well as data from standardized measures that assess respondents' opinions of the existing intervention. All surveys will be completed via a HIPAA compliant software. Data from these surveys will be incorporated into the intervention*

content and will help generate an adapted prototype of the sexual assault prevention program (+Change) for Sailors.

The results of these surveys will impact the Department of the Navy by documenting the feasibility, acceptability, satisfaction, and utility of a multi-pronged, individually tailored, and easily distributed prevention program that addresses the large problem of sexual assault, and the associated effects of alcohol for Sailors. In the long-term, this research benefits the readiness of the force by producing an easily disseminated high-quality sexual assault prevention program that can be implemented in multiple military settings and sustain evaluation in a larger clinical trial. This research can also have a secondary impact on reducing hazardous alcohol use among service members and can prevent the occurrence of alcohol use problems and associated negative health sequelae in service members. These long-term objectives are consistent with both DoD and the national public health priorities.

Affected Public: Individuals or households.

Frequency: Once per respondent.

Respondent's Obligation: Voluntary.

DEPARTMENT OF EDUCATION

Applications for New Awards; Indian Education Discretionary Grants Programs-Native American Language Program; Correction

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice; correction.

SUMMARY: On June 3, 2022, the Department of Education (Department) published in the **Federal Register** a notice inviting applications (NIA) for new awards for fiscal year (FY) 2022 for the Indian Education Discretionary Grants Programs-Native American Language Program (NAL@ED), Assistance Listing Number (ALN) 84.415B. We are correcting the deadline for intergovernmental review. All other information in the NIA remains the same.

DATES: This correction is applicable August 23, 2022.

FOR FURTHER INFORMATION CONTACT: Angela Hernandez, U.S. Department of Education, 400 Maryland Avenue SW, Room 3W234, LBJ, Washington, DC 20202. Telephone: (202) 205-1909. Email: NAL@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7-1-1.

SUPPLEMENTARY INFORMATION: On June 3, 2022, we published an NIA in the **Federal Register** (87 FR 33763). In the NIA, we indicated that the deadline for intergovernmental review is October 3, 2022. However, because the Department must make awards by September 30, 2022, we are partially waiving the intergovernmental review period. Specifically, we are reducing it from 60 days after the deadline for transmittal of applications to 30 days after the deadline for transmittal of applications. We are making this correction in order to make awards by the Department's September 30, 2022, deadline to obligate these funds. As a result, we are correcting the deadline for intergovernmental review to September 1, 2022.

All other information in the NIA remains the same.

Correction

In FR Doc. 2022-12016 appearing on page 33763 in the **Federal Register** published on June 3, 2022, we make the following corrections:

1. On page 33763, under **DATES** in the second column, we are revising the Deadline for intergovernmental review so that the date reads as follows:
