National Oceanic and Atmospheric Administration

[I.D. 112305C]

Fisheries of the Exclusive Economic Zone Off Alaska; Public Workshop

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public workshop.

SUMMARY: NMFS will present a workshop on proposed catch-monitoring standards for the non-American Fisheries Act (AFA) trawl catcher/processor sector. These standards are necessary to support proposed groundfish and prohibited species allocations to these sectors that are under consideration by the North Pacific Fishery Management Council.

DATES: The workshop will be held on December 16, 2005, from 10 a.m. to 1 p.m. local time.

ADDRESSES: The workshop will be held at the Nordby Center, in Fishermen's terminal, 1711 W Nickerson St., Seattle, WA.

FOR FURTHER INFORMATION CONTACT: Alan Kinsolving, 928-774-4362.

SUPPLEMENTARY INFORMATION: The North Pacific Fisheries Management Council is developing proposed Amendment 80 to the Groundfish of the Bering Sea and Aleutian Islands Management Area Fishery Management Plan (FMP). Amendment 80 would allocate prohibited species and target species other than Pacific cod and pollock to trawl catcher/processor vessels that are not qualified to fish for pollock under the AFA. One aspect of the analysis of alternatives being developed for Amendment 80 includes options for catch monitoring, weighing, and accounting standards for the non-AFA trawl catcher/processor sector. On June 27, 2005, NMFS conducted a workshop on the proposed standards and obtained comments from industry on various options. NMFS is conducting the December 16, 2005, workshop so that interested industry members may provide further guidance to NMFS on the development and implementation of these standards.

This workshop is physically accessible to people with disabilities. Requests for sign language

interpretation or other auxiliary aids should be directed to Alan Kinsolving (see **FOR FURTHER INFORMATION**).

Dated: December 1, 2005.

a. *Electronic Submission of Applications.* We have been accepting applications electronically through the Department's e-Application system since FY 2000. In order to expand on those efforts and comply with the President's Management Agenda, we are continuing to participate as a partner in the new government wide Grants.gov Apply site in FY 2006. The Native American and Alaska Native Children in School Program-CFDA Number 84.365C is one of the programs included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for The Native American and Alaska Native Children in School Program at: <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search.

Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted and must be date/time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date/time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it

was date/time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of System Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically, or by hand delivery. You also may mail your application by following the mailing instructions as described elsewhere in this notice. If you submit an application after 4:30 p.m., Washington, DC time, on the deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT**, and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number (if available).
