SUPPLEMENTARY INFORMATION: The USPTO is extending the period for public comment on various practices and policies for the review of PTAB decisions.

In a Federal Register Notice, Request for Comments on Director Review, Precedential Opinion Panel Review, and Internal Circulation and Review of Patent Trial and Appeal Board Decisions, 87 FR 43249 (Jul. 20, 2022) (the Notice), the USPTO sought input from the public regarding the current interim Under Secretary of Commerce for Intellectual Property and Director of the USPTO (Director) review process that allows a party to request Director review of a PTAB final written decision in inter partes review or post-grant review proceedings, and also provides the Director the option to sua sponte (at the Director's discretion) initiate the review of any PTAB decisions, including institution decisions and decisions on rehearing. The USPTO also sought input on the Precedential Opinion Panel process and on the current interim process for PTAB decision circulation and internal PTAB review. In view of the importance of these topics, and given the desire to receive input from as broad a cross-section of the public as possible, the USPTO is now extending the period to address the questions raised in the Notice, or to provide any additional comments, until October 19, 2022. commenters provided in the July 20, 2022, Notice remain unchanged. Previously submitted comments do not need to be resubmitted.
