

**ACTION:** Notice.

**SUMMARY:** In the Proclamation of February 10, 2025, *Adjusting Imports of Steel into the United States* (Steel Presidential Proclamation), the President imposed specified rates of duty on imports of steel. That Proclamation authorized and directed the Secretary of Commerce to publish modifications to the Harmonized Tariff Schedule of the United States (HTSUS) so that it conforms to the amendments and effective dates in the Proclamation. The Bureau of Industry and Security (BIS) published a notice, *Implementation of Duties on Steel Pursuant to Proclamation 10896 Adjusting Imports of Steel into the United States*, on behalf of the Secretary of Commerce on March 5, 2025, that fulfilled this directive. The revised HTSUS was set out in Annex 1 to the March 5 notice. In this notice, BIS revises Annex 1 to add additional steel derivative products.

**DATES:** *Steel derivatives added to the annex in this notice:* The duties set out in the annex for these additional steel derivatives are effective with respect to certain products that are entered for consumption, or withdrawn from warehouse for consumption, on or after 12:01 a.m. Eastern Time on June 23, 2025.

**SUPPLEMENTARY INFORMATION:****Background**

On February 10, 2025, the President issued the Steel Presidential Proclamation adjusting imports of steel into the United States (Proclamation 10896 of February 10, 2025) (90 FR 9817). The Steel Presidential Proclamation instructed the Secretary of Commerce in consultation with the Commissioner of United States Customs and Border Protection within the Department of Homeland Security, and the heads of other relevant executive departments and agencies, to revise the HTSUS so that it conforms to the amendments and effective dates directed in the Steel Presidential Proclamation. The Proclamation directed and authorized the Secretary of Commerce to publish any such modifications to the HTSUS in the **Federal Register**. BIS published such modifications in Annex 1 to the notice, *Implementation of Duties on Steel Pursuant to Proclamation 10896 Adjusting Imports of Steel into the United States*, on behalf of the Secretary of Commerce on March 5, 2025 (90 FR 11249). On June 3, 2025, the President issued Proclamation 10947, *Adjusting Imports of Aluminum and Steel into the*

*United States*, which adjusted the Section 232 tariff rates on aluminum and steel imports and (except for products of the United Kingdom) imposed an additional 25 percent *ad valorem* tariff to aluminum and steel imports and derivative aluminum and steel articles (90 FR 24199).

In this notice, BIS revises Annex 1 to add the following additional steel derivative products:

- (1) combined refrigerator-freezers under HTSUS subheading 8418.10.00;
- (2) small and large dryers under HTSUS subheadings 8451.21.00 and 8451.29.00;
- (3) washing machines under HTSUS subheadings 8450.11.00 and 8450.20.00;
- (4) dishwashers under HTSUS subheading 8422.11.00;
- (5) chest and upright freezers under HTSUS subheadings 8418.30.00 and 8418.40.00;
- (6) cooking stoves, ranges, and ovens under HTSUS subheading 8516.60.40;
- (7) food waste disposals under HTSUS subheading 8509.80.20; and
- (8) welded wire rack under statistical reporting number 9403.99.9020.

The tariff imposed under Proclamation 10896 will be assessed on these derivative products for the value of the steel content in each product.

All other tariff codes for steel and steel derivative products in Annex 1 remain unchanged.

Note that products classified under statistical reporting number 9403.99.9020 continue to be subject to tariffs under Proclamation 10895 as derivative products of aluminum for their aluminum content.

**SUPPLEMENTARY INFORMATION:**

**Background**

On February 2, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on wood mouldings and millwork products (millwork products) from China.<sup>1</sup> After receiving multiple review requests,<sup>2</sup> Commerce initiated this review.<sup>3</sup> In May 2024, various companies/company groupings submitted no shipment certifications.<sup>4</sup> Also in May 2024, various companies filed separate rate applications or certifications, along with responses to Commerce's quantity and value questionnaire. In June and July 2024, interested parties timely withdrew review requests of four companies for which no other party requested review.<sup>5</sup>

<sup>5</sup> See Petitioner's Letter, "Partial Withdrawal of Request for Administrative Review," dated July 8, 2024; see also Letters, "Withdrawal of Request for Administrative Review," dated June 25, 2024 and July 8, 2024.

On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>6</sup> On November 5, 2024, Commerce extended the deadline for issuing the preliminary results of this review until March 7, 2025.<sup>7</sup> On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by an additional 90 days.<sup>8</sup> The deadline for the preliminary results of this review is now June 5, 2025.

**Scope of the Order**

The product covered by the *Order* is wood mouldings and millwork products. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

**Partial Rescission of Administrative Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review in the **Federal Register**. Interested parties timely withdrew all review requests for four companies for which Commerce initiated this review. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to all the companies listed in Appendix III.

Pursuant to 19 CFR 351.212(a), "{g}enerally, the amount of duties to be assessed is determined in a review of the order covering a discrete period of time." Thus, normally, upon completion of an administrative review, suspended entries of subject merchandise are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>9</sup> Therefore, in order to apply the final antidumping duty liability that was determined in an administrative review for a particular company, there must be at least one suspended entry of that company's subject merchandise that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the antidumping duty assessment rate calculated for the review period. Pursuant to 19 CFR 351.213(d)(3), Commerce may rescind an

administrative review if it concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise, as the case may be.<sup>10</sup>

Because the entry data that we obtained from CBP showed no suspended entries of subject merchandise from the 20 companies identified in Appendix IV, on October 1, 2024, we notified parties of our intent to rescind this administrative review with respect to those companies.<sup>11</sup> No one commented on our intent to rescind this review with respect to these companies. Therefore, in the absence of any suspended entries of subject merchandise during the POR from the companies listed in Appendix IV, we are rescinding this administrative review with respect to these companies, in accordance with 19 CFR 351.213(d)(3).

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). Because China is a non-market economy (NME) country within the meaning of section 771(18) of the Tariff Act of 1930, as amended (the Act), we calculated normal value in accordance with section 773(c) of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum.

**Separate Rates**

In the *Initiation Notice*, we informed parties that all firms for which an NME review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or a separate rate certification.<sup>12</sup>

We preliminarily determine that both mandatory respondents, Longquan Jiefeng Trade Co., Ltd. (Longquan Jiefeng) and Zhejiang Senya Board Industry Co., Ltd. (Senya Board) (collectively, Longquan Jiefeng/Senya Board)<sup>13</sup> and Fujian Yinfeng Imp & Exp Trading Co., Ltd. (Yinfeng)/Fujian Province Youxi City Mangrove Wood

<sup>10</sup> See, e.g., *Diocetyl Terephthalate from the Republic of Korea: Rescission of Antidumping Administrative Review; 2021–2022*, 88 FR 24758 (April 24, 2023); see also *Certain Carbon and Alloy Steel Cut- to Length Plate from the Federal Republic of Germany: Rescission of Antidumping Administrative Review; 2020–2021*, 88 FR 4157 (January 24, 2023).

<sup>11</sup> See Memorandum, "Notice of Intent to Rescind Review, In Part," dated October 1, 2024.

<sup>12</sup> See *Initiation Notice*, 89 FR at 24781.

<sup>13</sup> We have determined that it is appropriate to treat affiliates Longquan Jiefeng and Senya Board as a single entity for purposes of this administrative review. For further discussion, see Preliminary Decision Memorandum.

Machining Co., Ltd. (Mangrove) (collectively, Yinfeng/Mangrove), as well as 12 other companies have demonstrated separate rate eligibility.<sup>14</sup>

#### China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative

review.<sup>15</sup> Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, the entity is not under review and the weighted average dumping margin assigned to the China-wide entity is not

subject to change as a result of this administrative review.

#### Preliminary Results of Review

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist for the POR:

Exporter	Estimated weighted-average dumping margin (percent)
Longquan Jiefeng Trade Co., Ltd./Zhejiang Senya Board Industry Co., Ltd .....	140.79
Fujian Yinfeng Imp & Exp Trading Co., Ltd./Fujian Province Youxi City Mangrove Wood Machining Co., Ltd .....	101.70
Non-Selected Companies Under Review Receiving a Separate Rate <sup>16</sup> .....	109.42

#### Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

#### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.<sup>17</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>18</sup> Interested parties who submit case briefs or rebuttal briefs in this review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>19</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>20</sup> Further, we request that interested parties limit their

executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>21</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the requesting party's name, address, and telephone number; (2) the number of individuals associated with the requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of the issues the party intends to discuss at the hearing. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**.

#### Assessment Rate

Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.<sup>22</sup> We will instruct CBP to liquidate POR entries of subject merchandise exported by the companies for which we rescinded the review at the cash deposit rate required at the time of entry or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). We will issue this instruction to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register** as provided by section 751(a)(2)(C) of the Act: (1) for any previously investigated or reviewed China or non-China exporter that has a separate rate, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (2) for all China

exporters of subject merchandise that do not have a separate rate, including those exporters that failed to establish their separate rate eligibility in this review, the cash deposit rate will be equal to the dumping margin assigned to the China-wide entity, which is 220.87 percent; and (3) for all non-China exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be equal to the dumping margin applicable to the China exporter(s) that supplied that non-China exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in case and rebuttal briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

### Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).
