

the public land laws, including the Mining law, under the authority contained in 43 CFR 2091.3–1(e) and 43 CFR 2804.25(e) for a period of 2 years, in order to process the ROW application filed on the described lands. This 2-year segregation period will commence upon publication of this **Federal Register** notice. It has been determined that this segregation is necessary for the orderly administration of the public lands. The temporary segregation period will terminate and the lands will automatically re-open to appropriation under the public land laws, including the mining laws, if one of the following events occurs: (1) Upon the BLM's issuance of a decision regarding whether to issue a ROW authorization for the wind energy generation proposal; (2) upon publication in the **Federal Register** of a notice of termination of the segregation; or (3) without further administrative action at the end of the segregation period provided for in the **Federal Register** notice initiating the segregation, whichever occurs first. Any segregation made under this authority would be effective only for a period of up to 2 years.

In accordance with 43 CFR 2091.3–1(e) and 2804.25(e), the following described public lands within the Quaking Aspen project area are hereby segregated for a period of up to 2 years, subject to valid existing rights, from all forms of appropriation under the public land laws, including location and entry under the United States mining laws, but not from leasing under the mineral leasing laws or disposal under the mineral material laws:
