

Operator, and General Mobile Radio Services and is used to collect licensing data for the Universal Licensing System (ULS). The Commission will be making a change to FCC Form 605 to include a question asking if the change of name is due to a change in ownership, corporate structure or entity. The data collected on this form includes the date of birth for commercial operator licensees; however, this information will be redacted from public view. There is no change in the number of respondents or burden hours.

OMB Control No.: 3060–1058.

Title: FCC Wireless Telecommunications Bureau Application or Notification of Spectrum Leasing Arrangement.

Form No.: FCC Form 608 (formerly FCC Form 603–T).

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions, and state, local or tribal government.

Number of Respondents: 1,493.

Estimated Time Per Response: 5 hours.

Frequency of Response: On occasion reporting requirement and recordkeeping requirement.

Total Annual Burden: 7,453 hours.

Total Annual Cost: \$1,221,860.

Privacy Act Impact Assessment: N/A.

Needs and Uses: The required notifications and applications will provide the Commission with use information about spectrum usage and helps to ensure that licensees and lessees are complying with Commission interference and non-interference related policies and rules. Similar information and verification requirements have been used in the past for licensees operating under authorization, and such requirements will serve to minimize interference, verify lessees are legally and technically qualified to hold licenses, and ensure compliance with Commission rules. The Commission is now renaming the form from FCC Form 603–T to FCC Form 608 and revising it including schedules to accommodate the leasing of licenses through License Manager in the Universal Licensing System (ULS). There is no change in the number of respondents or burden hours.
