II. Discussion

THE PROPOSED REVISIONS INCLUDE THE FOLLOWING MODIFICATIONS:

2. Form 499–A Instructions

A. Page 6. Revised to direct filers to the USAC Web site for details regarding documentation that must be filed when a filer ceases providing telecommunications.

B. Page 10. Revised to instruct filers that lack Internal Revenue Service employer identification numbers to contact USAC for an alternative identification number.

C. Pages 10–11. Revised to emphasize that all “affiliated” filers, as that term is defined under 47 U.S.C. 153, should enter a common identifier (the “Affiliated Filers Name/Holding Company Name”). Typically this is the name of the filer’s holding company, but in some instances, a group of affiliated filers may choose to designate an entity that is not the holding company of each affiliate. The term “holding company” is replaced by “Affiliate Filers Name/Holding Company Name” where appropriate throughout the Form 499–A Instructions.

D. Page 12. Contact information is added for filer inquiries regarding the instructions for Interstate Telecommunications Service Providers (ITSP) regulatory fee bills.

E. Page 12. Revised to clarify that only common carriers are required to

designate an agent in the District of Columbia.

F. Page 15. A paragraph containing instructions on reporting of certain international revenues is moved from Page 20 to the “Note on International Services” on Page 14. This edit clarifies that the instruction applies to all international revenues.

G. Page 19. Consistent with the *Lifeline Reform Order* (FCC 12–134; rel February 6, 2012), the following sentence is deleted: “Line 308 should include as revenues Lifeline Assistance reimbursement for the waived portion of subscriber line or presubscribed interexchange carrier charges from the Low Income or High Cost universal service support mechanism.”

H. Pages 23–27. Consistent with the *2012 Wholesaler-Reseller Clarification Order* (FCC–134; rel November 5, 2012)), and consistent with a recent industry proposal to implement the order, revised to clarify the definition of reseller, provide sample reseller certification language, and clarify the safe harbor and reasonable expectation standards for filers that report revenues from reseller customers.

I. Page 28. Revised to clarify that total revenues reported in column (a) include intrastate revenues even though intrastate revenues are not reported separately on the Form 499–A.

J. Page 37. Revised to delete contact information for the Wireline Competition Bureau and Industry Analysis and Technology Division; filers should contact USAC with questions about the Forms 499.

K. Page 38. Consistent with the requirements of the Twenty-First Century Communications and Video Accessibility Act of 2010 and the *2011 TRS Contributions Order* (FCC 11–150; rel October 7, 2011) implementing those requirements, citations to section 715 of the Act and 47 U.S.C. section 616 are added throughout, and page 38 is revised to clarify that providers of non-interconnected VoIP service are required to contribute to the interstate TRS support mechanism.

3. Form 499–Q Instructions.

A. Page 10. Revised to instruct filers that lack Internal Revenue Service employer identification numbers to contact USAC for an alternative identification number.

B. Page 10–11. Revised to emphasize that all “affiliated” filers, as that term is defined under 47 U.S.C. section 153, should enter a common identifier (the “Affiliated Filers Name”). Typically this is the name of the filer’s holding company, but in some instances, a group of affiliated filers may choose to

designate an entity that is not the holding company of each affiliate.

C. Page 11–13. Consistent with the *2012 Wholesaler-Reseller Clarification Order*, revised to clarify the definition of “reseller,” provide sample reseller certification language, and clarify the safe harbor and “reasonable expectation” standards for filers that report revenues from reseller customers.

D. Page 15. Revised to clarify that total revenues reported in column (a) include intrastate revenues even though intrastate revenues are not reported separately on the Form 499–Q.

E. Page 21. Revised to delete contact information for the Wireline Competition Bureau and Industry Analysis and Technology Division; filers should contact USAC with questions about the Forms 499.

4. Stylistic Changes. In several instances, wording in the instructions is revised for clarification purposes, without changing the substance.

5. Date Changes. Dates are updated throughout. References to “2013” are changed to “2014,” and references to “2012” are changed to “2013”.

6. Paperwork Reduction Act of 1995. This document does not contain new or modified information collection(s) subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it does not contain any new or modified information burden for small business concerns with fewer than 25 employees, pursuant to the Small Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4).
