

CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing content which is covered in the NARA regulation at 36 CFR part 1233, "Transfer, Use, and Disposition of Records in a NARA Federal Records Center," codified on October 2, 2009 (74 FR 51014), and most recently updated on March 30, 2018 (83 FR 13655). Part 1233 outlines the requirement to fill out a Standard Form 180, "Request Pertaining to Military Records." NARA's regulation also directs military veterans and their next of kin to its website, which outlines procedures for requesting copies of military records held by the Services as well as NARA (Source: <http://www.archives.gov/veterans/evetrecs>).

To the extent that internal Air Force procedures concerning military records are necessary, it will continue to be published in Air Force Instruction 36-2608, "Military Personnel Records System," which was updated on October 26, 2015, and is available at http://static.e-publishing.af.mil/production/1/af_a1/publication/afi36-2608/afi36-2608.pdf.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review." Therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs," does not apply.
