BE–125: Quarterly Survey of Transactions in Selected Services and Intellectual Property With Foreign Persons

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Notice of reporting requirements.

SUMMARY: By this Notice, the Bureau of Economic Analysis (BEA), Department of Commerce, is informing the public that it is conducting the mandatory survey titled Quarterly Survey of

Transactions in Selected Services and Intellectual Property with Foreign Persons (BE–125). The data collected on the BE–125 survey are needed to measure U.S. trade in services and to analyze the impact of U.S. trade on the U.S. and foreign economies. This survey is authorized by the International Investment and Trade in Services Survey Act.

FOR FURTHER INFORMATION CONTACT:

Christopher Stein, Chief, Services Surveys Branch (BE–50), Balance of Payments Division, Bureau of Economic Analysis, U.S. Department of Commerce, 4600 Silver Hill Road, Washington, DC 20233; phone (301) 278–9189; or via email at Christopher.Stein@bea.gov.

SUPPLEMENTARY INFORMATION: Through this Notice, BEA publishes the reporting requirements for the BE–125 survey form. As noted below, all entities required to respond to this mandatory survey will be contacted by BEA. Entities must submit the completed survey forms within 45 days after the end of each fiscal quarter, except for the final quarter of the entity’s fiscal year when reports must be filed within 90 days. This Notice is being issued in conformance with the rule BEA issued on April 24, 2012 (77 FR 24373), establishing guidelines for collecting data on international trade in services and direct investment through notices, rather than through rulemaking. Additional information about BEA’s collection of data on international trade in services and direct investment can be found in the 2012 rule, the International Investment and Trade in Services Survey Act (22 U.S.C. 3101 *et seq.*), and 15 CFR part 801. Survey data on international trade in services and direct investment that are not collected pursuant to the 2012 rule are described separately in 15 CFR part 801. The BE–125 survey form and instructions are available at www.bea.gov/ssb.

Reporting

Notice of specific reporting requirements, including who is to report, the information to be reported, the manner of reporting, and the time and place of filing reports, will be mailed to those required to complete this survey.

Who Must Report: (a) Reports are required from each U.S. person who had combined reportable sales of services or intellectual property to foreign persons that exceeded \$6 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year; or had combined reportable

purchases of services or intellectual property from foreign persons that exceeded \$4 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year. Because the thresholds are applied separately to sales and purchases, the reporting requirements may apply only to sales, only to purchases, or to both. See BE–125 survey form for more details.

(b) Entities required to report will be contacted individually by BEA. Entities not contacted by BEA have no reporting responsibilities.

What To Report: The survey collects information on U.S. international trade in selected services and intellectual property.

How To Report: Reports can be filed using BEA’s electronic reporting system at www.bea.gov/efile. Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, can be downloaded from www.bea.gov/ssb and submitted through mail or fax. Form BE–125 inquiries can be made by phone to BEA at (301) 278–9303 or by sending an email to be-125help@bea.gov.

When To Report: Reports are due to BEA 45 days after the end of each fiscal quarter, except for the final quarter of the entity’s fiscal year when reports must be filed within 90 days.

Foreign-Trade Zones Board

[B–02–2020]

Foreign-Trade Zone 104—Savannah, Georgia; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by World Trade Center Savannah, LLC, grantee of Foreign-Trade Zone 104, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on January 14, 2020.

FTZ 104 was approved by the FTZ Board on April 18, 1984 (Board Order 256, 49 FR 17789, April 25, 1984), reorganized under the ASF on January 12, 2011 (Board Order 1736, 76 FR 4865, January 27, 2011) and the ASF service area was expanded on June 10, 2013 (Board Order 1904, 78 FR 36165, June 17, 2013) and on March 12, 2015 (Board Order 1965, 80 FR 14940–14941, March 20, 2015). The zone currently has a service area that includes Bulloch, Bryan, Candler, Chatham, Columbia, Effingham, Emanuel, Evans, Jenkins, Liberty, Long, Richmond, Screven, Tattnal, Toombs and Treulien Counties, Georgia.

The applicant is now requesting authority to expand the service area of the zone to include Burke County, Georgia, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The application indicates that the proposed expanded

service area is adjacent to the Savannah, Georgia U.S. Customs and Border Protection Port of Entry

In accordance with the FTZ Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is March 27, 2020. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 13, 2020.

A copy of the application will be available for public inspection in the “Reading Room” section of the FTZ Board’s website, which is accessible via www.trade.gov/ftz. For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482–0862.

Dated: January 16, 2020.

Andrew McGilvray,
Executive Secretary.

Hydrofluorocarbon Blends From the People’s Republic of China: Affirmative Preliminary Determination of Circumvention of the Antidumping Duty Order; Unfinished R–32/R–125 Blends

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that imports of unfinished blends of hydrofluorocarbon (HFC) components R–32 and R–125 from the People’s Republic of China (China) are circumventing the antidumping duty (AD) order on HFC blends from China. As a result, imports of blends of HFC components R–32 and R–125 from China will be subject to suspension of liquidation effective June 18, 2019. We invite interested parties to comment on this preliminary determination.

DATES: Applicable January 27, 2020.

SUPPLEMENTARY INFORMATION:

Background

Commerce received information from U.S. Customs and Border Protection (CBP) relating to the *Order* on HFC blends from China regarding certain blends comprised of HFC components R–32 and R–125,¹ which closely resemble subject HFC blends from China.² On April 2, 2018, Commerce published a notice that it was opening a scope segment of the proceeding and provided an opportunity for interested parties to comment.³ On June 12, 2018, the American HFC Coalition (the petitioner) filed comments on the CBP entry packages;⁴ on June 18, 2018, Weitron, Inc. and Weitron International Refrigeration Equipment (Kunshan) Co., Ltd. (Weitron Kunshan) (collectively, Weitron) filed rebuttal comments.⁵

On August 14, 2018, the petitioner filed a request that, pursuant to section 781(a) of the Tariff Act of 1930, as amended (the Act), Commerce initiate an anti-circumvention inquiry regarding imports of unfinished blends of HFC components R–32 and R–125 from China that are further processed into finished HFC blends in the United States, which the petitioner alleged are circumventing the *Order*.⁶ On August 23, 2018, Weitron submitted rebuttal comments.⁷
