Title: Integrated Postsecondary Education Data System (IPEDS), Web-Based Collection System.

Frequency: Annually.

Affected Public: Private Sector; not-for-profit institutions; businesses or

other for-profit; State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 52,040.

Burden Hours: 162,943.

Abstract: IPEDS is a Web-based system designed to collect basic data from all postsecondary institutions in the United States and the other jurisdictions. IPEDS allows NCES to describe the size of one of the nation's largest enterprises, postsecondary education, in terms of students enrolled, degrees and other awards earned, dollars expended, and staff employed. IPEDS incorporates technological improvements into the collection that enhance data submission and data availability. The IPEDS Web-based data collection system was implemented in 2000–01, and it collects basic data from approximately 6,600 postsecondary institutions in the United States and other jurisdictions that are eligible to participate in Title IV Federal financial aid programs. All Title IV institutions are required to respond to IPEDS (Section 490 of the Higher Education Amendments of 1992 (Pub. L. 102–325)). IPEDS allows other (non-Title IV) institutions to participate on a voluntary basis, but only about 200 elect to respond.

SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994, as amended.

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board's responsibilities include selecting subject areas to be assessed, developing assessment specifications and frameworks, developing appropriate student achievement levels for each grade and subject tested, developing standards and procedures for interstate and national comparisons, developing guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

On Thursday May 15 from 1 p.m. to 2:30 p.m. the Assessment Development Committee will meet in open session. The Ad Hoc Committee on NAEP Testing and Reporting on Students with Disabilities and English Language Learners will meet in open session from 2:30 p.m. to 4:15 p.m. and the Executive Committee will meet in open session from 4:30 p.m. to 5 p.m. From 5 p.m. to 6 p.m. the Executive Committee will meet in closed session to receive a briefing from the National Center for Education Statistics on options for the National Assessment of Educational Progress (NAEP) contracts covering the 2008–2012 assessment years, based on funding for Fiscal Year 2010. The discussion of contract options and costs will address the implications for congressionally mandated goals and adherence to Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public discussion of this information would disclose independent government cost estimates and contracting options, adversely impacting the confidentiality of the contracting process. Public disclosure of information discussed would significantly impede implementation of the NAEP contract awards, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On May 16, the full Board will meet in open session from 8:30 a.m. to 9 a.m. The Board will approve the agenda and the March 2008 Board minutes.
