#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Office of Federal Contract Compliance Programs (OFCCP) is responsible for the administration of the Secretary of Labor's Opportunity Award, Exemplary Voluntary Effort (EVE), and Exemplary Public Interest Contribution (EPIC) Awards. These awards are presented annually to Federal contractors and non-profit organizations whose activities support the mission of the OFCCP. The recognition of Federal contractors who are in compliance with the OFCCP regulations and who work with community and public interest organizations sends a positive message throughout the U.S. Labor Force and business community.

The Secretary of Labor's Opportunity and EVE award recipients must be Federal contractors covered by Executive Order 11246, as amended; Section 503 of the Rehabilitation Act, as amended, and the Vietnam Era Veterans' Readjustment Assistance Act, as amended.

The Secretary of Labor's Opportunity Award is presented to one contractor each year that has established and instituted comprehensive workforce strategies to ensure equal employment opportunity. The EVE Award is given to those contractors who have demonstrated through programs or activities, exemplary and innovative efforts to create an inclusive American Workforce. The EPIC Award is presented to public interest organizations that have supported equal employment opportunity and linked their efforts with those of the Federal contractors to enhance employment

opportunities for those with the least opportunity to join the workforce. Guidelines for the nomination process can be found in Administrative Notice Number 261 dated January 21, 2003; to view the Notice visit OFCCP web page address at <http://www.dol.gov/esa/media/reports/ofccp/evedr261.pdf>. This information collection is currently approved for use through January 31, 2007.

##### II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

##### III. Current Actions

OFCCP seeks a three-year extension for the approval of the Secretary of Labor's Opportunity Award, Exemplary Voluntary Effort (EVE), and Exemplary Public Interest Contribution (EPIC) Awards. There is no change in the substance or method of collection since the last OMB approval. OFCCP revised the burden hour estimates associated with the awards based on the number of nominations received for Calendar Year (CY) 2005. During CY 2005, OFCCP received two (2) Secretary's Opportunity, seventeen (17) EVE, and twenty (20) EPIC award nominations. This information collection recognizes outstanding Federal contractors and non-profit public interest organizations with exceptional equal opportunity and nondiscrimination programs that support the OFCCP mission.
