Background

The Commission instituted these investigations effective June 20, 2024, following receipt of petitions filed with the Commission and Commerce by the American Personal Transportation Vehicle Manufacturers Coalition.⁴ The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of low speed personal transportation vehicles from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington DC, and by publishing the notice in the **Federal Register** on February 11, 2025 (90 FR 9345). The Commission conducted its hearing on June 12, 2025. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on August 4, 2025. The views of the Commission are contained in USITC Publication 5652 (August 2025), entitled *Low Speed Personal Transportation Vehicles from China: Investigation Nos. 701-TA-731 and 731-TA-1700 (Final)*.
