SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-97645; File No. SR-NYSEARCA-2023-38]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To List and Trade Shares of the Natixis Loomis Sayles Focused Growth ETF Under NYSE Arca Rule 8.601-E (Active Proxy Portfolio Shares)

June 2, 2023.

Pursuant to section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (“Act”) ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on May 24, 2023, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade shares of the Natixis Loomis Sayles Focused Growth ETF under NYSE Arca Rule 8.601-E. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange has adopted NYSE Arca Rule 8.601-E for the purpose of permitting the listing and trading, or trading pursuant to unlisted trading privileges (“UTP”), of Active Proxy Portfolio Shares, which are securities issued by an actively managed open-end investment management company. ⁴ Commentary .01 to Rule 8.601-E requires the Exchange to file separate proposals under section 19(b) of the Act before listing and trading any series of Active Proxy Portfolio Shares on the Exchange. Therefore, the Exchange is submitting this proposal in order to list and trade shares (“Shares”) of the Natixis Loomis Sayles Focused Growth ETF (the “Fund”) under Rule 8.601-E.

Key Features of Active Proxy Portfolio Shares

While funds issuing Active Proxy Portfolio Shares will be actively-managed and, to that extent, will be similar to Managed Fund Shares, Active Proxy Portfolio Shares differ from

⁴ See Securities Exchange Act Release No. 89185 (June 29, 2020), 85 FR 40328 (July 6, 2020) (SR-NYSEARCA-2019-95). Rule 8.601-E(c)(1) provides that “[t]he term ‘Active Proxy Portfolio Share’ means a security that (a) is issued by an investment company registered under the Investment Company Act of 1940 (“Investment Company”) organized as an open-end management investment company that invests in a portfolio of securities selected by the Investment Company's investment adviser consistent with the Investment Company's investment objectives and policies; (b) is issued in a specified minimum number of shares, or multiples thereof, in return for a deposit by the purchaser of the Proxy Portfolio or Custom Basket, as applicable, and/or cash with a value equal to the next determined net asset value (“NAV”); (c) when aggregated in the same specified minimum number of Active Proxy Portfolio Shares, or multiples thereof, may be redeemed at a holder's request in return for the Proxy Portfolio or Custom Basket, as applicable, and/or cash to the holder by the issuer with a value equal to the next determined NAV; and (d) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter.” Rule 8.601-E(c)(2) provides that “[t]he term ‘Actual Portfolio’ means the identities and quantities of the securities and other assets held by the Investment Company that shall form the basis for the Investment Company's calculation of NAV at the end of the business day.” Rule 8.601-E(c)(3) provides that “[t]he term ‘Proxy Portfolio’ means a specified portfolio of securities, other financial instruments and/or cash designed to track closely the daily performance of the Actual Portfolio of a series of Active Proxy Portfolio Shares as provided in the exemptive relief pursuant to the Investment Company Act of 1940 applicable to such series.” Rule 8.601-E(c)(4) provides that the term “Custom Basket” means a portfolio of securities that is different from the Proxy Portfolio and is otherwise consistent with the exemptive relief issued pursuant to the Investment Company Act of 1940 applicable to a series of Active Proxy Portfolio Shares.

Managed Fund Shares in the following important respects. First, in contrast to Managed Fund Shares, which are actively-managed funds listed and traded under NYSE Arca Rule 8.600–E⁵ and for which a “Disclosed Portfolio” is required to be disseminated at least once daily,⁶ the portfolio for an issue of Active Proxy Portfolio Shares will be publicly disclosed within at least 60 days following the end of every fiscal quarter in accordance with normal disclosure requirements otherwise applicable to open-end management investment companies registered under the Investment Company Act of 1940 (the “1940 Act”).⁷ The composition of the portfolio of an issue of Active Proxy Portfolio Shares would not be available at commencement of Exchange listing and trading. Second, in connection with the creation and redemption of Active

Proxy Portfolio Shares, such creation or redemption may be exchanged for a Proxy Portfolio or Custom Basket, as applicable, and/or cash with a value equal to the next-determined NAV. A series of Active Proxy Portfolio Shares will disclose the Proxy Portfolio on a daily basis, which, as described above, is designed to track closely the daily performance of the Actual Portfolio of a series of Active Proxy Portfolio Shares, instead of the actual holdings of the Investment Company, as provided by a series of Managed Fund Shares. As set forth in NYSE Arca Rule 8.601–E(d)(2)(B)(ii), for Active Proxy Portfolio Shares using a Custom Basket, each Business Day,⁸ before the opening of trading in the Core Trading Session (as defined in NYSE Arca Rule 7.34–E (a)), the Investment Company shall make publicly available on its website the composition of any Custom Basket transacted on the previous Business Day, except a Custom Basket that differs from the applicable Proxy Portfolio only with respect to cash.

The Commission has previously approved⁹ and noticed for immediate effectiveness¹⁰ the listing and trading

on the Exchange of series of Active Proxy Portfolio Shares under NYSE Arca Rule 8.601–E.

The Shares of the Fund will be series of Natixis ETF Trust II (the “Company”), a Massachusetts business trust registered with the Commission as an open-end management investment company.¹¹ Natixis Advisors, LLC will be the investment adviser to the Fund (the “Adviser”). Loomis, Sayles & Company, L.P. (“Sub-Adviser”) will be the Sub-Adviser to the Fund. State Street Bank and Trust Company will serve as the Fund’s custodian. ALPS Distributors, Inc. will act as the distributor (the “Distributor”) for the Fund.

¹¹ The Company is registered under the 1940 Act. On March 24, 2023, the Company filed a registration statement on Form N–1A under the Securities Act of 1933 (15 U.S.C. 77a), and under the 1940 Act relating to the Fund (File Nos. 333–235466 and 811–23500) (the “Registration Statement”). The Company filed a seventh amended and restated application for an order under section 6(c) of the 1940 Act for exemptions from various provisions of the 1940 Act and rules thereunder on October 21, 2019 (File No. 812–14870). See Investment Company Act Release No. 33684 (File No. 812–14870) (the “Application”). On December 10, 2019, the Commission issued an order under the 1940 Act granting the exemptions requested in the Application (Investment Company Act Release No. 33711 (December 10, 2019)) (the “Exemptive Order”). Investments made by the Fund will comply with the conditions set forth in the Application and the Exemptive Order. The description of the operation of the Fund herein is based, in part, on the Registration Statement, Application, and Exemptive Order. The Exchange will not commence trading in Shares of the Fund until the Registration Statement is effective.

⁵ The Commission has previously approved listing and trading on the Exchange of a number of issues of Managed Fund Shares under NYSE Arca Rule 8.600–E. See, e.g., Securities Exchange Act Release Nos. 57801 (May 8, 2008), 73 FR 27878 (May 14, 2008) (SR–NYSEArca–2008–31) (order approving Exchange listing and trading of twelve actively-managed funds of the WisdomTree Trust); 60460 (August 7, 2009), 74 FR 41468 (August 17, 2009) (SR–NYSEArca–2009–55) (order approving listing of Dent Tactical ETF); 63076 (October 12, 2010), 75 FR 63874 (October 18, 2010) (SR–NYSEArca–2010–79) (order approving Exchange listing and trading of Cambria Global Tactical ETF); 63802 (January 31, 2011), 76 FR 6503 (February 4, 2011) (SR–NYSEArca–2010–118) (order approving Exchange listing and trading of the SiM Dynamic Allocation Diversified Income ETF and SiM Dynamic Allocation Growth Income ETF). The Commission also has approved a proposed rule change relating to generic listing standards for Managed Fund Shares. See Securities Exchange Act Release No. 78397 (July 22, 2016), 81 FR 49320 (July 27, 2016) (SR–NYSEArca–2015–110) (amending NYSE Arca Equities Rule 8.600 to adopt generic listing standards for Managed Fund Shares).

⁶ NYSE Arca Rule 8.600–E(c)(2) defines the term “Disclosed Portfolio” as the identities and quantities of the securities and other assets held by the Investment Company that will form the basis for the Investment Company’s calculation of net asset value at the end of the business day. NYSE Arca Rule 8.600–E(d)(2)(B)(i) requires that the Disclosed Portfolio will be disseminated at least once daily and will be made available to all market participants at the same time.

⁷ A mutual fund is required to file with the Commission its complete portfolio schedules for the second and fourth fiscal quarters on Form N–CSR under the 1940 Act. Information reported on Form N–PORT for the third month of a fund’s fiscal quarter will be made publicly available 60 days after the end of a fund’s fiscal quarter. Form N–PORT requires reporting of a fund’s complete portfolio holdings on a position-by-position basis on a quarterly basis within 60 days after fiscal quarter end. Investors can obtain a series of Active Proxy Portfolio Shares’ Statement of Additional Information (“SAI”), its Shareholder Reports, its Form N–CSR, filed twice a year, and its Form N–CEN, filed annually. A series of Active Proxy Portfolio Shares’ SAI and Shareholder Reports will be available free upon request from the Investment Company, and those documents and the Form N–PORT, Form N–CSR, and Form N–CEN may be viewed on-screen or downloaded from the Commission’s website at www.sec.gov.

⁸ “Business Day” is defined to mean any day that the Exchange is open, including any day when the Fund satisfies redemption requests as required by section 22(e) of the 1940 Act.

adviser to the Investment Company issuing Active Proxy Portfolio Shares is registered as a broker-dealer or is affiliated with a broker-dealer, such investment adviser will erect and maintain a “fire wall” between the investment adviser and personnel of the broker-dealer or broker-dealer affiliate, as applicable, with respect to access to information concerning the composition and/or changes to such Investment Company’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable. Any person related to the investment adviser or Investment Company who makes decisions pertaining to the Investment Company’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or has access to non-public information regarding the Investment Company’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto must be subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto. Commentary .04 is similar to Commentary .03(a)(i) and (iii) to NYSE Arca Rule 5.2–E(j)(3); however, Commentary .04, in connection with the establishment of a “fire wall” between the investment adviser and the broker-dealer, reflects the applicable open-end fund’s portfolio, not an underlying benchmark index, as is the case with index-based funds.¹² Commentary .04 is also similar to Commentary .06 to Rule 8.600–E related to Managed Fund Shares, except that Commentary .04 relates to establishment and

maintenance of a “fire wall” between the investment adviser and personnel of the broker-dealer or broker-dealer affiliate, as applicable, applicable to an Investment Company’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto, and not just to the underlying portfolio, as is the case with Managed Fund Shares.

In addition, Commentary .05 to Rule 8.601–E provides that any person or entity, including a custodian, Reporting Authority, distributor, or administrator, who has access to non-public information regarding the Investment Company’s Actual Portfolio, Proxy Portfolio, or Custom Basket, as applicable, or changes thereto, must be subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the applicable Investment Company Actual Portfolio, Proxy Portfolio, or Custom Basket, as applicable, or changes thereto. Moreover, if any such person or entity is registered as a broker-dealer or affiliated with a broker-dealer, such person or entity will erect and maintain a “fire wall” between the person or entity and the broker-dealer with respect to access to information concerning the composition and/or changes to such Investment Company Actual Portfolio, Proxy Portfolio, or Custom Basket, as applicable.

Neither the Adviser nor the Sub-Adviser is registered as a broker-dealer but each is affiliated with a broker-dealer. The Adviser and Sub-Adviser have implemented and will maintain a “fire wall” with respect to such broker-dealer affiliate regarding access to information concerning the composition of and/or changes to the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable.

In the event (a) the Adviser or Sub-Adviser becomes registered as a broker-dealer or becomes newly affiliated with a broker-dealer, or (b) any new adviser or sub-adviser is a registered broker-dealer, or becomes affiliated with a broker-dealer, it will implement and maintain a “fire wall” with respect to its relevant personnel or its broker-dealer affiliate regarding access to information concerning the composition and/or changes to the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, and will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto. Any person related to the Adviser, Sub-Adviser or the Fund who makes decisions pertaining to the

Fund’s Actual Portfolio, Proxy Portfolio, or Custom Basket, as applicable, or has access to non-public information regarding the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto are subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable or changes thereto.

In addition, any person or entity, including any service provider for the Fund, who has access to non-public information regarding the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto, will be subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable, or changes thereto. Moreover, if any such person or entity is registered as a broker-dealer or affiliated with a broker-dealer, such person or entity has erected and will maintain a “fire wall” between the person or entity and the broker-dealer with respect to access to information concerning the composition and/or changes to the Fund’s Actual Portfolio, Proxy Portfolio, and/or Custom Basket, as applicable.

Description of the Fund

According to the Registration Statement, the Adviser will identify a Proxy Portfolio for the Fund that is designed to replicates the daily performance of the Fund’s Actual Portfolio and will only include securities and investments in which the Fund may invest. While the Fund’s Proxy Portfolio and Actual Portfolio will hold some of the same securities, the Proxy Portfolio and Actual Portfolio may not include identical securities.

The composition of the Proxy Portfolio will be published on the Fund’s website (*im.natixis.com*) each Business Day before the commencement of trading of the Fund’s Shares. The Fund’s website will include the following information for each portfolio holding in the Proxy Portfolio: (1) ticker symbol; (2) CUSIP or other identifier; (3) description of holding; (4) quantity of each security or other asset held; and (5) percentage weight of the holding in the Proxy Portfolio. The Proxy Portfolio will be reconstituted daily, and the Adviser or Sub-Adviser will not make intra-day changes to the Proxy Portfolio except to correct errors in the published Proxy Portfolio.

¹² An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (the “Advisers Act”). As a result, the Adviser, Sub-Adviser and their related personnel will be subject to the provisions of Rule 204A–1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A–1 under the Advisers Act. In addition, Rule 206(4)–7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violations, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for administering the policies and procedures adopted under subparagraph (i) above.

The Fund will, at the end of each trading day, calculate the percentage weight overlap between the holdings of its Proxy Portfolio and the Actual Portfolio (the “Proxy Overlap”) that formed the basis for the Fund’s calculation of NAV at the end of the prior Business Day by taking the lesser weight of each asset held in common between the Actual Portfolio and the Proxy Portfolio and adding the totals.

The Fund’s holdings will conform to the permissible investments as set forth in the Application and Exemptive Order, and the holdings will be consistent with all requirements in the Application and Exemptive Order.¹³ Any foreign common stocks held by the Fund will be traded on an exchange that is a member of the Intermarket Surveillance Group (“ISG”) or with which the Exchange has in place a comprehensive surveillance sharing agreement.

According to the Registration Statement, the Fund’s investment objective is long-term growth of capital. The Fund will, under normal circumstances, invest primarily in exchange-traded U.S.-listed common stocks and other exchange-traded equity securities across a wide range of sectors and industries that the Adviser believes have sustainable long-term competitive advantages and trade at a significant discount to estimates of intrinsic value. The Fund focuses on stocks of large capitalization companies, but the Fund may invest in companies of any size. The Fund is non-diversified, which means that it may invest a greater percentage of its assets in a particular issuer and may invest in fewer issuers than a diversified fund. Typically, the Fund’s portfolio will hold 20 to 30 securities.

Investment Restrictions

The Shares of the Fund will conform to the initial and continued listing criteria under Rule 8.601–E. The Fund’s

holdings will be limited to and consistent with permissible holdings as described in the Application and Exemptive Order and all requirements in the Application and Exemptive Order.¹⁴

The Fund’s investments, including derivatives, will be consistent with its investment objectives and will not be used to enhance leverage (although certain derivatives and other investments may result in leverage). That is, the Fund’s investments will not be used to seek performance that is the multiple or inverse multiple (e.g., 2X or –3X) of the Fund’s primary broad-based securities benchmark index (as defined in Form N–1A).¹⁵

Purchases and Redemptions

According to the Registration Statement, the Company will issue and sell Shares of the Fund only in specified minimum size “Creation Units” on a continuous basis through the Distributor at their NAV next determined after receipt of an order, on any Business Day, in proper form. The NAV of the Fund’s Shares will be calculated each Business Day as of the close of regular trading on the Exchange, ordinarily 4:00 p.m. Eastern Time (“E.T.”). A Creation Unit will generally consist of at least 10,000 Shares.

According to the Registration Statement, Shares of the Fund will be purchased and redeemed in Creation Units. Creation Units will generally be purchased in-kind through the deposit of a designated portfolio of securities (the “Deposit Securities”), which will typically replicate the Proxy Portfolio, plus the “Cash Component,” which is an amount equal to the difference between the NAV of the Fund’s shares (per Creation Unit) and the market value of the Deposit Securities or “Cash Deposit” (as defined below), as applicable. The Cash Component serves the function of compensating for any differences between the NAV per Creation Unit and the market value of the Deposit Securities or Cash Deposit, as applicable. The Cash Deposit is a “cash in lieu” amount that the Company may permit or require to be added to the Cash Component to replace any Deposit Security. The names and quantities of the instruments that constitute the Deposit Securities will be the same as the Proxy Portfolio, except to the extent that the Fund requires purchases and redemptions to be made entirely or in part on a cash basis. Together, the

Deposit Securities or Cash Deposit, as applicable, and the Cash Component constitute the “Fund Deposit,” which represents the minimum initial and subsequent investment amount for a Creation Unit of the Fund.

Creation Units of the Fund may be purchased and/or redeemed entirely or partially for cash in the Company’s discretion. When full or partial cash purchases or redemptions of Creation Units are available or specified for the Fund, they will be effected in essentially the same manner as in-kind purchases or redemptions thereof.¹⁶

The identity and number of shares comprising a Creation Unit may change from time to time. The Fund, through the National Securities Clearing Corporation (the “NSCC”), will make available on each Business Day, immediately prior to the opening of business on the Exchange, the list of the names and the required number of shares of each Deposit Security or the required amount of Cash Deposit, as applicable, to be included in the Fund Deposit. The published Fund Deposit will apply until such time as the next-announced composition of the Deposit Securities is made available, and there will be no intra-day changes except to correct errors in the published Fund Deposit. The Fund Deposit will be published each Business Day regardless of whether the Fund decides to issue or redeem Creation Units entirely or in part on a cash basis. The identity of the Fund Securities that will be applicable to redemption requests received in proper form on a Business Day will also be made available prior to the opening of business on the Exchange on each Business Day.

All orders to purchase or redeem Creation Units must be placed with the Distributor by or through an Authorized Participant, who may engage in creation or redemption transactions directly with the Fund.¹⁷ Orders to purchase or redeem Creation Units must be submitted at the close of regular trading on the Exchange, generally 4:00 p.m. E.T., on each Business Day in order to receive the NAV of Shares of the Fund on that Business Day. The date on which an order to purchase or redeem Creation Units is placed is referred to as the “Transmittal Date.” When the

¹³ Pursuant to the Application and Exemptive Order, the permissible investments for the Fund include only the following instruments: exchange-traded funds, exchange-traded notes, exchange-traded common stocks, exchange-traded preferred stocks, exchange-traded American Depositary Receipts, exchange-traded real estate investment trusts, exchange-traded commodity pools, exchange-traded metal trusts, exchange-traded currency trusts and exchange-traded futures that trade contemporaneously with the Fund’s shares. In addition, the Fund may hold cash and cash equivalents (short-term U.S. Treasury securities, government money market funds, and repurchase agreements). Pursuant to the Application and Exemptive Order, the Fund will not hold short positions or invest in derivatives other than U.S. exchange-traded futures, will not borrow for investment purposes, and will not purchase any securities that are illiquid investments at the time of purchase.

¹⁴ See id.

¹⁵ The Fund’s broad-based securities benchmark index will be identified in a future amendment to its Registration Statement following the Fund’s first full calendar year of performance.

¹⁶ The Adviser represents that, to the extent the Company effects the creation or redemption of Shares in cash on any given day, such transactions will be effected in the same manner for all Authorized Participants (as defined below) placing trades with the Fund on that day.

¹⁷ According to the Registration Statement, an “Authorized Participant” is (i) a broker-dealer or other participant in the clearing process through the Continuous Net Settlement System of the NSCC or (ii) a DTC Participant.

Exchange closes earlier than normal, the Fund may require orders for Creation Units to be placed earlier in the Business Day.

Trading Halts

With respect to trading halts, the Exchange may consider all relevant factors in exercising its discretion to

halt or suspend trading in the Shares of the Fund.²² Trading in Shares of the Fund will be halted if the circuit breaker parameters in NYSE Arca Rule 7.12-E have been reached. Trading also may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the Shares inadvisable. Trading in the Shares will be subject to NYSE Arca Rule 8.601-E(d)(2)(D), which sets forth circumstances under which Shares of the Fund will be halted.

Specifically, Rule 8.601-E(d)(2)(D) provides that the Exchange may consider all relevant factors in exercising its discretion to halt trading in a series of Active Proxy Portfolio Shares. Trading may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the series of Active Proxy Portfolio Shares inadvisable. These may include: (a) the extent to which trading is not occurring in the securities and/or the financial instruments composing the Proxy Portfolio and/or Actual Portfolio; or (b) whether other unusual conditions or circumstances detrimental to the maintenance of a fair and orderly market are present. If the Exchange becomes aware that the NAV, Proxy Portfolio, or Actual Portfolio with respect to a series of Active Proxy Portfolio Shares is not disseminated to all market participants at the same time, the Exchange shall halt trading in such series until such time as the NAV, Proxy Portfolio, or Actual Portfolio is available to all market participants at the same time.

Trading Rules

The Exchange deems the Shares to be equity securities, thus rendering trading in the Shares subject to the Exchange's existing rules governing the trading of equity securities. Shares will trade on the NYSE Arca Marketplace in all trading sessions in accordance with NYSE Arca Rule 7.34-E(a). As provided in NYSE Arca Rule 7.6-E, the minimum price variation ("MPV") for quoting and entry of orders in equity securities traded on the NYSE Arca Marketplace is \$0.01, with the exception of securities that are priced less than \$1.00 for which the MPV for order entry is \$0.0001.

The Shares will conform to the initial and continued listing criteria under NYSE Arca Rule 8.601-E. The Exchange has appropriate rules to facilitate trading in the Shares during all trading sessions.

A minimum of 100,000 Shares for the Fund will be outstanding at the commencement of trading on the

¹⁸ The records relating to Bid/Ask Prices will be retained by the Fund or its service providers. The "Bid/Ask Price" is the midpoint of the highest bid and lowest offer based upon the National Best Bid and Offer as of the time of calculation of the Fund's NAV. The "National Best Bid and Offer" is the current national best bid and national best offer as disseminated by the Consolidated Quotation System or UTP Plan Securities Information Processor. The "Closing Price" of Shares is the official closing price of the Shares on the Exchange.

¹⁹ The "premium/discount" refers to the premium or discount to the NAV at the end of a trading day and will be calculated based on the last Bid/Ask Price on a given trading day.

²⁰ See note 4, *supra*. Rule 8.601-E (c)(3) provides that the website for each series of Active Proxy Portfolio Shares shall disclose the information regarding the Proxy Portfolio as provided in the exemptive relief pursuant to the 1940 Act applicable to such series, including the following, to the extent applicable: (i) Ticker symbol; (ii) CUSIP or other identifier; (iii) Description of holding; (iv) Quantity of each security or other asset held; and (v) Percentage weighting of the holding in the portfolio.

Exchange. In addition, pursuant to Rule 8.601–E(d)(1)(B), the Exchange, prior to commencement of trading in the Shares, will obtain a representation from the Company that (i) the NAV per Share of the Fund will be calculated daily, (ii) the NAV, Proxy Portfolio, and the Actual Portfolio for the Fund will be made publicly available to all market participants at the same time, and (iii) the Company and any person acting on behalf of the Company will comply with Regulation Fair Disclosure under the Act, including with respect to any Custom Basket.

With respect to Active Proxy Portfolio Shares, all of the Exchange member obligations relating to product description and prospectus delivery requirements will continue to apply in accordance with Exchange rules and federal securities laws, and the Exchange and the Financial Industry Regulatory Authority, Inc. (“FINRA”) will continue to monitor Exchange members for compliance with such requirements.

Surveillance

The Exchange represents that trading in the Shares will be subject to the existing trading surveillances, administered by the Exchange, as well as cross-market surveillances administered by FINRA on behalf of the Exchange, which are designed to detect violations of Exchange rules and applicable federal securities laws.²³ The Exchange represents that these procedures are adequate to properly monitor Exchange trading of the Shares in all trading sessions and to deter and detect violations of Exchange rules and federal securities laws applicable to trading on the Exchange.

The surveillances referred to above generally focus on detecting securities trading outside their normal patterns, which could be indicative of manipulative or other violative activity. When such situations are detected, surveillance analysis follows and investigations are opened, where appropriate, to review the behavior of all relevant parties for all relevant trading violations.

The Exchange or FINRA, on behalf of the Exchange, or both, will communicate as needed regarding trading in the Shares and underlying exchange-traded instruments with other markets and other entities that are members of the ISG, and the Exchange or FINRA, on behalf of the Exchange, or

both, may obtain trading information regarding trading such securities and underlying exchange-traded instruments from such markets and other entities. In addition, the Exchange may obtain information regarding trading in such securities and underlying exchange-traded instruments from markets and other entities that are members of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.²⁴

The Adviser will make available daily to FINRA and the Exchange the Actual Portfolio of the Fund, upon request, as necessary to assist with the performance of the surveillances and investigations referred to above.

In addition, the Exchange also has a general policy prohibiting the distribution of material, non-public information by its employees.

Commentary .03 to NYSE Arca Rule 8.601–E provides that the Exchange will implement and maintain written surveillance procedures applicable to Active Proxy Portfolio Shares. As part of these surveillance procedures, the Investment Company’s investment adviser will, upon request by the Exchange or FINRA, on behalf of the Exchange, make available to the Exchange or FINRA the daily Actual Portfolio holdings of each series of Active Proxy Portfolio Shares. The Exchange believes that the ability to access the information on an as needed basis will provide it with sufficient information to perform the necessary regulatory functions associated with listing and trading series of Active Proxy Portfolio Shares on the Exchange, including the ability to monitor compliance with the initial and continued listing requirements as well as the ability to surveil for manipulation of Active Proxy Portfolio Shares.

The Exchange will utilize its existing procedures to monitor issuer compliance with the requirements of Rule 8.601–E. For example, the Exchange will continue to use intraday alerts that will notify Exchange personnel of trading activity throughout the day that may indicate that unusual conditions or circumstances are present that could be detrimental to the maintenance of a fair and orderly market. The Exchange will require from the issuer of a series of Active Proxy Portfolio Shares, upon initial listing and periodically thereafter, a representation that it is in compliance with Rule 8.601–E. The Exchange notes that Commentary .01 to Rule 8.601–E requires an issuer of Active Proxy

Portfolio Shares to notify the Exchange of any failure to comply with the continued listing requirements of Rule 8.601–E. In addition, the Exchange will require issuers to represent that they will notify the Exchange of any failure to comply with the terms of applicable exemptive and no-action relief. As part of its surveillance procedures, the Exchange will rely on the foregoing procedures to become aware of any non-compliance with the requirements of Rule 8.601–E.

With respect to the Fund, all statements and representations made in this filing regarding (a) the description of the portfolio, (b) limitations on portfolio holdings, or (c) the applicability of Exchange listing rules specified in this rule filing shall constitute continued listing requirements for listing the Shares on the Exchange. The Exchange will obtain a representation from the Company, prior to commencement of trading in the Shares of the Fund, that it will advise the Exchange of any failure by the Fund to comply with the continued listing requirements, and, pursuant to its obligations under section 19(g)(1) of the Act, the Exchange will monitor for compliance with the continued listing requirements. If the Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under NYSE Arca Rule 5.5–E(m).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,²⁵ in general, and furthers the objectives of section 6(b)(5) of the Act,²⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.²⁷

With respect to the proposed listing and trading of Shares of the Fund, the Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices in that the Shares will be listed and traded on the Exchange pursuant to the initial and continued listing criteria in NYSE Arca Rule 8.601–E.

²⁷ The Exchange represents that, for initial and continued listing, the Fund will be in compliance with Rule 10A–3 under the Act, as provided by NYSE Arca Rule 5.3–E.

In addition, the Exchange may obtain information regarding trading in the Shares and underlying exchange-traded instruments from markets and other entities that are members of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement. Any foreign common stocks held by the Fund will be traded on an exchange that is a member of the ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

The daily dissemination of the identity and quantity of Proxy Portfolio component investments, together with the right of Authorized Participants to create and redeem each day at the NAV, will be sufficient for market participants to value and trade Shares in a manner that will not lead to significant deviations between the Shares' Closing Price or Bid/Ask Price and NAV.

The Fund's investments, including derivatives, will be consistent with its investment objective and will not be used to enhance leverage (although certain derivatives and other investments may result in leverage). That is, the Fund's investments will not be used to seek performance that is the multiple or inverse multiple (*e.g.*, 2X or -3X) of the Fund's primary broad-based securities benchmark index (as defined in Form N-1A).

The proposed rule change is designed to promote just and equitable principles of trade and to protect investors and the public interest in that the Exchange will obtain a representation from the Company that the NAV per Share of the Fund will be calculated daily and that the NAV, Proxy Portfolio, Actual Portfolio and/or Custom Basket, as applicable, for the Fund will be made available to all market participants at the same time. Investors can obtain the Fund's SAI, shareholder reports, and its Form N-CSR, Form N-PORT, and Form

Commentary .03 to NYSE Arca Rule 8.601-E provides that the Exchange will implement and maintain written surveillance procedures applicable to Active Proxy Portfolio Shares. As part of these surveillance procedures, the Investment Company's investment adviser will, upon request by the Exchange or FINRA, on behalf of the Exchange, make available to the Exchange or FINRA the daily portfolio holdings of each series of Active Proxy Portfolio Shares. The Exchange believes that the ability to access the information on an as needed basis will provide it with sufficient information to perform the necessary regulatory functions associated with listing and trading series of Active Proxy Portfolio Shares on the Exchange, including the ability to monitor compliance with the initial and continued listing requirements as well as the ability to surveil for manipulation of Active Proxy Portfolio Shares. With respect to the Fund, the Adviser will make available daily to FINRA and the Exchange the portfolio holdings of the Fund upon request as necessary to facilitate the performance of the surveillances and investigations referred to above.

The Exchange will utilize its existing procedures to monitor compliance with the requirements of Rule 8.601-E. For example, the Exchange will continue to use intraday alerts that will notify Exchange personnel of trading activity throughout the day that may indicate that unusual conditions or circumstances are present that could be detrimental to the maintenance of a fair and orderly market. The Exchange will require from the Company, upon initial listing and periodically thereafter, a representation that it is in compliance with Rule 8.601-E. The Exchange notes that Commentary .01 to Rule 8.601-E requires the issuer of Shares to notify the Exchange of any failure to comply with the continued listing requirements of Rule 8.601-E. In addition, the Exchange will require the issuer to represent that it will notify the Exchange of any failure to comply with the terms of applicable exemptive and no-action relief. The Exchange will rely on the foregoing procedures to become aware of any non-compliance with the requirements of Rule 8.601-E.

In addition, with respect to the Fund, a large amount of information will be publicly available regarding the Fund

and the Shares, thereby promoting market transparency. Quotation and last sale information for the Shares and U.S. exchange-traded instruments (excluding futures contracts) will be available via the CTA high-speed line, from the exchanges on which such securities trade, or through major market data vendors or subscription services. Quotation and last sale information for futures contracts will be available from the exchanges on which they trade. Intraday price information for all exchange-traded instruments, which include all eligible instruments except cash and cash equivalents, will be available from the exchanges on which they trade, or through major market data vendors or subscription services. Intraday price information for cash equivalents is available through major market data vendors, subscription services and/or pricing services.

The website for the Fund will include a form of the prospectus that may be downloaded, and additional data relating to NAV and other applicable quantitative information, updated on a daily basis. Trading in Shares of the Fund will be halted if the circuit breaker parameters in NYSE Arca Rule 7.12-E have been reached or because of market conditions or for reasons that, in the view of the Exchange, make trading in the Shares inadvisable. Trading in the Shares will be subject to NYSE Arca Rule 8.601-E(d)(2)(D), which sets forth circumstances under which Shares of the Fund will be halted. In addition, as noted above, investors will have ready access to the Proxy Portfolio and quotation and last sale information for the Shares. The identity and quantity of investments in the Proxy Portfolio will be publicly available on the Fund's website before the commencement of trading in Shares on each Business Day. The Shares will conform to the initial and continued listing criteria under Rule 8.601-E.²⁹

The Fund's holdings will conform to the permissible investments as set forth in the Application and Exemptive Order, and the holdings will be consistent with all requirements in the Application and Exemptive Order.³⁰ Any foreign common stocks held by the Fund will be traded on an exchange that is a member of the ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest in that

it will facilitate the listing and trading of an additional type of actively-managed exchange-traded product that will enhance competition among market participants, to the benefit of investors and the marketplace. The Exchange will obtain a representation from the Adviser, prior to commencement of trading in the Shares of the Fund, that it will advise the Exchange of any failure by the Fund to comply with the continued listing requirements, and, pursuant to its obligations under section 19(g)(1) of the Act, the Exchange will monitor for compliance with the continued listing requirements. If the Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under NYSE Arca Rule 5.5–E(m).

As noted above, the Exchange has in place surveillance procedures relating to trading in the Shares and may obtain information via ISG from other exchanges that are members of ISG or with which the Exchange has entered into a comprehensive surveillance sharing agreement. In addition, as noted above, investors will have ready access to information regarding quotation and last sale information for the Shares.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes the proposed rule change would permit listing and trading of an additional actively-managed ETF that has characteristics different from existing actively-managed and index ETFs and would introduce additional competition among various ETF products to the benefit of investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section

19(b)(3)(A) of the Act³¹ and Rule 19b–4(f)(6) thereunder.³²

A proposed rule change filed pursuant to Rule 19b–4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b–4(f)(6)(iii)³³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange notes that the Commission has approved and noticed for immediate effectiveness proposed rule changes to permit listing and trading on the Exchange of Active Proxy Portfolio Shares similar to the Fund.³⁴ The proposed listing rule for the Fund raises no novel legal or regulatory issues. Thus, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.³⁵

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
