The BLM will enforce the following temporary seasonal closures under authority of section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8360.0–7, and 43 CFR 8364.1:

1. You must not enter identified closure areas in the Animas City Mountain and Grandview Ridge RMZs of the Durango SRMA from December 1 through April 15 for the protection of critical winter wildlife habitat. This closure may be extended through April 30 if conditions and wildlife needs warrant.

2. You must not enter identified closure areas in the Perins Peak Wildlife Management Area from December 1 through April 15 for the protection of critical winter wildlife habitat. This closure may be extended through April 30 if conditions and wildlife needs warrant.

3. You must not enter identified closure areas in the Perins Peak Wildlife Management Area for peregrine habitat from March 15 through July 31 for the protection of critical raptor habitat.

4. You must not enter the Chutes-n-Ladders, Summit, and Aqueduct areas of the Montezuma Triangle RMZ within the Cortez SRMA from December 1 through April 30 for the protection of critical winter wildlife habitat. Travel on county roads through these areas is allowed.

Exceptions to Closure: The following persons are exempt from this order: Federal, State, and local officers and employees in the performance of their official duties; members of organized rescue or fire-fighting forces in the performance of their official duties; and persons with written authorization from the BLM.

Enforcement: Any person who violates this temporary closure may be tried before a United States Magistrate and fined, imprisoned, or both, in accordance with 43 U.S.C. 1733(a), 18 U.S.C. 3571, and 43 CFR 8360.0–7. In accordance with 43 CFR 8365.1–7, State or local officials may also impose penalties for violations of State or local law.

Effect of Closure: All areas as described in this notice are temporarily closed to all public use, including pedestrian use and vehicles, during the time periods as denoted in this notice, unless specifically excepted as described earlier.

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Technical Service Center Summer Intern Program Application

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Bureau of Reclamation, are proposing a new information collection that is currently in use without OMB approval. The publication of this 30-day notice is required to bring this information collection into compliance. **DATES:** Interested persons are invited to submit comments on or before August 1, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting "Currently Under 30-day Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to Jessica Torrey, Supervisory Civil Engineer, Denver Federal Center, P.O. Box 25007, MS 86-68540, Denver, CO 80225; or by email to jtorrey@usbr.gov. Please reference OMB Control Number 1006-NEW in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this information collection request (ICR), contact Jessica Torrey by email at jtorrey@usbr.gov, or by telephone at (303) 445-2376. Individuals who are

deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. You may also view the ICR at <https://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on February 3, 2022 (87 FR 6200). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public
