**AGENCY:** Fish and Wildlife Service,  
Interior.

**ACTION:** Notice, information collection.

The Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement provisions of the Paperwork reduction Act of 1995 (Public Law 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and record keeping activities (see 5 CFR 1320.8(d)). We will submit a request to OMB to approve the collection of information for preserving the unwritten knowledge (oral history) of the long-term residents of the southwest Alaska region in the vicinity of the Togiak National Wildlife Refuge. We are requesting a 3-year term of approval of this new information collection activity. Pursuant to our request for OMB approval of this new information collection, we invite comments on (1) whether the collection of information is necessary for the proper performance of our functions, including whether the information will have practical utility; (2) the accuracy of our estimate of burden, including the validity of the methodology and assumptions used, and (3) ways to enhance the quality, utility, and clarity of the information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

The proposed information collection form follows. A copy of the complete draft study proposal is available upon request at no cost. Direct requests to Patricia McClenahan, Office of Subsistence Management, 907/786-3888, extension 3875.
