SUPPLEMENTARY INFORMATION:

I. Background

PTE 75-1 provides exemptions from certain prohibited transaction provisions of the Employment Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code of 1986 (Code) for specified types of transactions between employee benefit plans and broker-dealers, reporting dealers and banks relating to securities purchases and sales, provided specified conditions are met. The exempted transactions include an employee benefit plan's purchase of securities from broker-dealers' inventories of stocks, from underwriting syndicates in which a plan fiduciary is a member, from banks, from reporting dealers, and from a market-maker even if a market-maker is a plan fiduciary. The exempted transactions also include, under certain conditions, a plan's accepting an extension of credit from a broker-dealer for the purpose of facilitating settlement of a securities transaction. Among other conditions, PTE 75-1 requires that a party seeking to rely on the exemption with respect to a transaction maintain adequate records of the transaction for a period of six years. The Department has obtained approval from the Office of Management and Budget (OMB) for this information collection under OMB Control No. 1210-0092. This approval is currently scheduled to expire on April 30, 2010.

BILLING CODE 4510-29-P

POSTAL REGULATORY COMMISSION

[Docket No. CP2009-29; Order No. 368]

Postal Product Price Changes

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is noticing a recently-filed Postal Service request to change prices for a Global Direct contract. This notice provides an opportunity for the public to comment.

DATES: Comments are due: January 5, 2010.

ADDRESSES: Submit comments electronically via the Commission's Filing Online system at <http://www.prc.gov>. Commenters who cannot submit their views electronically should contact the person identified in "FOR FURTHER INFORMATION CONTACT" by telephone for advice on alternatives to electronic filing.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202-789-6820 or stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION: On December 18, 2009, the Postal Service filed a notice that prices for the Global Direct contract at issue in the above-captioned proceeding will change as contemplated by the contract's terms.¹ The Notice includes three attachments: (1) A redacted version of the letter to the customer with the amended prices (Attachment 1); (2) a certified statement of compliance with 39 U.S.C. 3633(a) (Attachment 2); and (3) an application for non-public treatment for the material filed under seal (Attachment 3).

In Order No. 216, the Commission concluded that certain costs for these types of contracts are based on objective, external factors and out of the Postal Service's discretion.² Such objective, external factors are, in the case of Global Direct, exchange rate fluctuations and changes in the amount Canada Post Corporation charges the Postal Service for services. *Id.* at 7. For rate changes based on these types of objective, external factors, the Commission allowed that the Postal Service could file the changes on a "notice-type basis." *Id.*

The Postal Service filed the Notice because it plans on changing rates for the Global Direct contract at issue in this docket. It is unclear, however,

¹ Notice of United States Postal Service of Change in Prices in Accordance with Order No. 216, December 18, 2009 (Notice).

² PRC Order No. 216, Order Concerning Filing of Additional Global Direct Contracts Negotiated Service Agreement, May 15, 2009 (Order No. 216).

whether the planned increase is only the result of “objective, external factors” contemplated by Order No. 216. If the increase is based on other terms of the contract that are not “objective, external factors,” *i.e.*, based on Article 9, paragraph 2, of the contract, then it must be subject to the usual requirements of a competitive rate change set forth in 39 CFR 3015.5.

Because the basis for the price change in the Notice is not clear, the Commission reopens Docket No. CP2009–29 to review the proposed price change and give interested persons the opportunity to comment on whether the Postal Service’s proposed rate increase is based on “objective, external factors.” If the change is based on such factors, Commission review may be unnecessary under the terms of Order No. 216. Comments may also address, if appropriate, whether the filings in the captioned docket are consistent with the policies of 39 U.S.C. 3632, 3633, or 3652 and 39 CFR part 3015 and 39 CFR 3020, subpart B. Comments are due no later than January 5, 2010.

The Commission appoints Paul L. Harrington to serve as Public Representative in these dockets.

It is ordered:

1. The Commission reopens Docket No. CP2009–29 for consideration of the issues raised in this order.

2. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as the officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.

3. Comments by interested persons in this proceeding are due no later than January 5, 2010.

5. The Secretary shall arrange for publication of this Notice in the **Federal Register**.

By the Commission.

Shoshana M. Grove,

Secretary.

Order No. 264 directed the Postal Service to file a notice of any such price changes with the Commission prior to their effective date. *Id.*
