Find this particular information collection request by selecting “Department of Education” under “Currently Under Review,” then check “Only Show ICR for Public Comment” checkbox.**FOR FURTHER INFORMATION CONTACT:** For specific questions related to collection activities, please contact Gloria Tanner, 202–453–5596.**SUPPLEMENTARY INFORMATION:** The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public’s reporting burden. It also helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the

burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Education Stabilization Fund-Elementary and Secondary Emergency Education Relief Fund (ESSER) Recipient Data Collection Form.*OMB Control Number:* 1810–NEW.*Type of Review:* A new information collection.*Respondents/Affected Public:* State, Local, and Tribal Governments.*Total Estimated Number of Annual Responses:* 14,656.*Total Estimated Number of Annual Burden Hours:* 73,560.*Abstract:* This information collection supports the annual collection of data pertaining to the uses of funds under the Elementary and Secondary School Emergency Relief Fund (ESSER Fund). The Department ESSER awards grants to State educational agencies (SEAs) (and analogous grants to Outlying Areas) for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact that Novel Coronavirus Disease 2019 (COVID–19) has had, and continues to have, on elementary and secondary schools across the nation. LEAs must provide equitable services to students and teachers in non-public schools as required under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The information will be reviewed by Department employees to ensure that ESSER funds are used in accordance with Sec. 18003(d) of the CARES Act and will be shared with the public to promote transparency regarding the allocation and uses of funds.

Notice is hereby given by the U.S. Environmental Protection Agency,

Region 8, of a proposed prospective purchaser settlement agreement, embodied in an Administrative Settlement Agreement and Covenant Not to Sue, with the State of Montana, MAC LTT, LLC, which is purchasing the Property, and MAC LTT Manufacturing, Inc., a related entity to MAC, which, although not purchasing the Property, has leased the Property since 2013 and will continue to lease and operate the Property after MAC purchases the Property. This Settlement Agreement pertains to a portion of the approximately 580-acre area known as the Lockwood Solvent Ground Water Plume Superfund Site located at 1430 U.S. Highway 87 East, Billings, Montana. Neither of the MAC-related business entities is responsible for the original contamination at the Site. Under the proposed Settlement Agreement, both MAC LTT, LLC and MAC LTT Manufacturing, Inc. would be required to comply with standard CERCLA bona fide prospective purchaser continuing obligations, including access, appropriate care, and non-interference with the CERCLA remedy. The proposed Settlement Agreement provides for the payment of certain response costs incurred by the EPA and the State of Montana at or in connection with the Site. The proposed Settlement Agreement includes a covenant by the United States and the State of Montana not to sue or take administrative action against MAC LTT, LLC and MAC LTT Manufacturing, Inc., pursuant to sections 106 and 107(a) of CERCLA for Existing Contamination, as that term is defined in the proposed Settlement Agreement, and for payment of response costs. For thirty (30) days

following the date of publication of this document, the EPA will receive written comments relating to the settlement. The EPA will consider all comments received and may modify or withdraws its consent to the Settlement Agreement if comments received disclose facts or considerations that indicate that the proposed settlement is inappropriate, improper, or inadequate. The EPA's response to any comments received will be available for public inspection at EPA Region 8, 1595 Wynkoop Street, Denver, Colorado 80202.
