SUPPLEMENTARY INFORMATION: 5 CFR 1320.12(a) requires that we provide a 60-day notice in the **Federal Register** concerning a collection of information to solicit comments on:

(a) Whether the collection of information is necessary for the proper functioning of the agency, including whether the information will have practical utility;

(b) The accuracy of our estimates of the information collection burden, including the validity of the methodology and assumptions we use;

(c) Ways to enhance the quality, utility, and clarity of the information collected; and

(d) Ways to minimize the information collection burden on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Under Section 432 of the Veterans Administration and Housing and Urban Development Appropriations Act (Public Law 105-276), the Alaska Native Claims Settlement Act was amended to include a new section which allows certain Alaska Native Vietnam Era Veterans to apply for native allotments. The implementing regulations are 43 CFR 2568—Alaska Native Allotments for Certain Veterans.

Based on BLM's experience administering this program, we estimate the public reporting burden to complete Form AK 2561-10 is 30 minutes and 27 hours and 30 minutes to gather and

complete the required information such as marking the corners of the lands applied for, and requesting/completing a cadastral survey of the lands. BLM estimates that we receive 732 applications annually, with a total annual burden of 20,496 hours. The respondents are Alaskan Native Vietnam Era Veterans. The frequency of response is once for each applicant.

Any member of the public may request and obtain, without charge, a copy of BLM Form AK 2561-10 by contacting the person identified under **FOR FURTHER INFORMATION CONTACT**.
