

(B) Clearing Agency's Statement on Burden on Competition

Section 17A(b)(3)(I) of the Act³⁵ requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. OCC does not believe that the proposal would impose any burden on competition.³⁶ The primary purpose of the proposed rule change is to update and clarify the existing X-M Agreement to reflect current practices and also streamline Clearing Member agreements. The proposed rule change would not affect any individual Clearing Member's current rights or ability to access OCC services or disadvantage or favor any particular user in relationship to another. As such, OCC believes that the proposed changes would not have any impact or impose any burden on competition.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were not and are not intended to be solicited with respect to the proposed change and none have been received. OCC will notify the Commission of any written comments received by OCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(B) institute proceedings to determine whether the proposed rule change should be disapproved.
