**SUPPLEMENTARY INFORMATION:** In 1977 and 1999, to assure protection of significant subsistence, recreational, fish and wildlife, historical and scenic values, the Secretary of the Interior designated several Special Areas located within the National Petroleum Reserve-Alaska. In 2003, the BLM prepared the IAP/EIS for an 8.8 million-acre area within the National Petroleum Reserve-Alaska to determine the appropriate multiple-use management consistent with existing statutory direction which encourages oil and gas leasing while protecting important surface resources and uses. On January 22, 2004, the Secretary of the Interior signed the Record of Decision (ROD) approving the Preferred Alternative, with minor modifications, and designated the following described lands as the Kasegaluk Lagoon Special Area pursuant to Section 104(b) of the Naval Petroleum Reserves Production Act of 1976, 42 U.S.C. 6501 (2000):

#### Umiat Meridian
