#### Food Safety and Inspection Service

*Title:* Be Food Safe Campaign Pilot  
 Survey.

*OMB Control Number:* 0583-New.

*Summary of Collection:* The Food  
 Safety and Inspection Service (FSIS) has  
 been delegated the authority to exercise  
 the functions of the Secretary as  
 provided in the Federal Meat Inspection  
 Act (FMIA) (21 U.S.C. 601 *et seq.*), the  
 Poultry Products Inspection Act (PPIA)  
 (21 U.S.C. 451 *et seq.*), and the Egg  
 Products Inspection Act (EPIA) (21  
 U.S.C. 1031 *et seq.*). These statutes  
 mandate that FSIS protect the public by  
 verifying that meat and poultry products  
 are safe, wholesome, unadulterated, and  
 properly labeled and packaged. FSIS has  
 established the *Be Food Safe* campaign  
 to educate consumers about the  
 importance of safe food handling and  
 how to reduce the risks associated with  
 foodborne illness. As a part of the *Be  
 Food Safe* campaign, the Agency plans  
 to purchase advertising in Oklahoma  
 City mass media outlets to promote safe  
 food handling messages to consumers  
 and to measure consumer awareness  
 and response. The Campaign will be  
 targeted at women, aged 25 to 49, who  
 are caregivers for children under the age  
 of 10 or for older adults. FSIS will  
 collect information using two surveys  
 (pre and post).

*Need and Use of the Information:* The  
 data collected in the surveys will allow  
 FSIS to examine what knowledge  
 members of the target audience had  
 about food safety before the campaign,  
 whether they were aware of the  
 campaign and, if they were, whether  
 they changed any food preparation  
 behaviors as a result. The information  
 collected will be used to refine the  
 campaign's messages, materials, and

approaches in order to improve its  
 overall effectiveness.

*Description of Respondents:*  
 Individuals or households.

*Number of Respondents:* 800.

*Frequency of Responses:* Reporting:  
 Other (once).

*Total Burden Hours:* 88.

#### I. Abstract

EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the

worldwide economy. To accomplish this mission, EDA administers several programs authorized under the Public Works and Economic Development Act of 1965 (42 U.S.C. 3121 *et seq.*) (PWEDA) and under chapters 3, 4, and 5 of the Trade Act of 1974 (19 U.S.C. 2341 *et seq.*) (Trade Act)).

The Trade and Globalization Adjustment Assistance Act (TGAAA), part of the American Recovery and Reinvestment Act of 2009, amended chapter 4 of the Trade Act to establish the Community Trade Adjustment Assistance (Community TAA) Program, which is designed to assist U.S. communities suffering negative effects from trade impacts and will be administered by EDA.

The amended Trade Act requires that a community have a Cognizable Certification, which is a certification by the Secretaries of Labor, Commerce, or Agriculture under the TAA for Workers, Firms, or Farmers programs, respectively and petition for EDA to make an Affirmative Determination that a community is significantly affected by the threat to, or loss of, jobs associated with the Cognizable Certification as a threshold before receiving a grant under the program. EDA plans to make such petitions as minimally burdensome as possible and to process petitions using the OMB-approved Application for Federal Assistance (Form SF-424) to reduce confusion and ensure standard information. EDA intends to request that a petitioning community complete Items 1-16 and 21 of Form SF-424. For Item 15, recipients will be required to complete a formula provided by EDA using their Civilian Labor Force (CLF) data, which is readily available from the Bureau of Labor Statistics, and provide a brief narrative describing the threat to, or loss of, jobs associated with a Cognizable Certification.

Applicants also must identify the applicable Cognizable Certification upon which the community bases its petition or petition-application. For TAA Workers Cognizable Certifications, the applicant community must provide the TAA petition number associated with the Department of Labor's certification decision. For TAA for Firms certifications, the applicant community must provide the name of the firm certified under the program and locator number in the official notification letter provided by the Department of Commerce to the certified firm. For TAA for Farmers certifications, the applicant community must provide the name of the certified agricultural commodity and the record identifier provided by the Department of Agriculture. Recipients do not have to
