#### SUPPLEMENTARY INFORMATION:

**Title; Associated Form; and OMB Number:** Application to Operate a Military Auxiliary Radio System (MARS) Station, Army MARS Form AM-1, OMB Control Number 0702-0140.

**Type of Request:** Extension.

**Number of Respondents:** 550.

**Responses per Respondent:** 1.

**Annual Responses:** 550.

**Average Burden per Response:** 15 minutes.

**Annual Burden Hours:** 137.5.

**Needs and Uses:** The information collection requirement is necessary to operate a Military Auxiliary Radio System (MARS) Station. The MARS program is a civilian auxiliary consisting primarily of licensed amateur radio operators who are interested in assisting the military with communications on a local, national, and international basis as an adjunct to normal communications and providing worldwide auxiliary emergency communications during times of need. The information collection requirement is necessary not only an application to join ARMY MARS, but to maintain an accurate roster of civilians enrolled in the program for the purpose of providing contingency communications support to the Department of Defense. Additionally, the collected information is used by the MARS program manager to determine an individual's eligibility for the program, as well as to initiate a background investigation should a security clearance be required; used to show the geographic dispersion of the members who participate in the global High Frequency radio network in support of the Department of Defense; and to ensure our radio spectrum authorizations cover the geographic areas from which our members will operate. The information is also used periodically to email informational updates about the MARS program.

**Affected Public:** Individuals or households.

**Frequency:** On occasion.

**Respondent's Obligation:** Voluntary.
