Notice of Funding Opportunity and Solicitation for Grant Applications (SGA) for the Career Pathways Innovation Fund Grants Program

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of Solicitation for Grant Applications (SGA).

Funding Opportunity Number: SGA/DFA PY 10-06.

SUMMARY: Through this notice, the Department of Labor's Employment and Training Administration (ETA) announces the availability of up to approximately \$122 million in grant funds authorized by Workforce Investment Act of 1998, Public Law 105-220 to develop and implement career pathway programs in partnership with employers and other relevant organizations in the community. The overarching goals for projects funded under this SGA are to: (1) Increase the number of individuals who earn credentials that enable them to compete for employment in in-demand and emerging industries and occupations; (2) lead to employment for program participants; (3) articulate and ease academic and employment transitions, through the implementation of articulation agreements and other activities, for students of different skill levels and at varying academic levels, including students with low English or basic skills proficiency; (4) establish multiple entry and exit points for students along the post-secondary education continuum; and, (5) create systemic change that will last beyond the grant period by establishing partnerships, agreements, processes, and programs that better connect the education, training, workforce, and

supportive services necessary to achieve the preceding four goals, including strengthening the role of the public workforce system in career pathway programs. ETA proposes to fund approximately 40 to 50 grants ranging from \$1 million to \$5 million. Based on statutory requirements, at least \$65 million of the total designated funds will be reserved for projects that focus on the health care sector. In addition, DOL intends to reserve funding of approximately \$6.25 million of the total appropriation to award additional funding to support grantee efforts to conduct a third-party evaluation of the grant activities with this SGA.

Labor Certification Process for the Temporary Employment of Aliens in Agriculture in the United States: 2011 Adverse Effect Wage Rates, Allowable Charges for Agricultural Workers' Meals, and Maximum Travel Subsistence Reimbursement

AGENCY: Employment and Training Administration, Department of Labor.

ACTION: Notice.

SUMMARY: The Employment and Training Administration (ETA) of the Department of Labor (Department) is issuing this Notice to announce: (1) The 2011 Adverse Effect Wage Rates (AEWRs) for employers seeking to employ temporary or seasonal nonimmigrant foreign workers to

perform agricultural labor or services (H-2A workers); (2) the allowable maximum amount for 2011 that employers may charge their H-2A workers for providing them with three meals a day; and (3) the maximum travel subsistence reimbursement which a worker with receipts may claim in 2011.

DATES: *Effective Date:* March 1, 2011.

FOR FURTHER INFORMATION CONTACT:

William L. Carlson, Ph.D., Administrator, Office of Foreign Labor Certification, U.S. Department of Labor, Room C-4312, 200 Constitution Avenue, NW., Washington, DC 20210. *Telephone:* 202-693-3010 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: The United States (U.S.) Citizenship and Immigration Services of the Department of Homeland Security may not approve an employer's petition for the admission of H-2A nonimmigrant temporary agricultural workers in the U.S. unless the petitioner has received from the Department of Labor (Department) an H-2A labor certification. Approved labor certifications attest that: (1) There are not sufficient U.S. workers who are able, willing, and qualified and who will be available at the time and place needed to perform the labor or services involved in the petition; and (2) the employment of the foreign worker in such labor or services will not adversely affect the wages and working conditions of workers in the U.S. similarly employed. 8 U.S.C. 1101(a)(15)(H)(ii)(a), 1101(a)(15)(H)(ii)(b), 1184(c)(1), and 1188(a); and 8 CFR 214.2(h)(5) and (6).

The Department's regulations for the H-2A program require employers to offer and pay their U.S. and H-2A workers no less than the appropriate hourly AEWR in effect at the time the work is performed. 20 CFR 655.122(l).

A. Adverse Effect Wage Rates for 2011

Employers of H-2A workers must pay the highest of (i) the AEWR, in effect, at the time the work is performed; (ii) the applicable prevailing wage; or (iii) the statutory minimum wage, as specified in the regulations. 20 CFR 655.120(a). Except as otherwise provided in 20 CFR part 655, Subpart B, the region-wide AEWR for all agricultural employment (except those occupations which are exempted under the special procedure provisions of 20 CFR 655.102) for which temporary H-2A certification is being sought is equal to the annual weighted average hourly wage rate for field and livestock workers (combined) for the region as published annually by the United States Department of Agriculture (USDA) based on its quarterly wage

survey. Pursuant to 20 CFR 655.120(c), the Administrator of the Office of Foreign Labor Certification must publish USDA field and livestock worker (combined) wage data as AEWRs in a **Federal Register** Notice.

Accordingly, the 2011 AEWRs for agricultural work performed by U.S. and H-2A workers on or after the effective date of this Notice are set forth in the table below:
