

GmbH for purposes of determining antidumping duty liability. In order to make this determination, we examined the management, organizational structure, ownership, production facilities, supplier relationships, and customer base of ThyssenKrupp Nirosta GmbH and Krupp Thyssen Nirosta GmbH. Since record evidence shows that ThyssenKrupp Nirosta GmbH has maintained the same management, organizational structure, ownership, production facilities, supplier relationships, and customer base as Krupp Thyssen Nirosta GmbH, we determine that ThyssenKrupp Nirosta GmbH is the successor company to Krupp Thyssen Nirosta GmbH. For a more thorough discussion of the basis for this decision, see *Initiation and Preliminary Results* (67 FR 49007). Therefore, ThyssenKrupp Nirosta GmbH shall retain the antidumping duty deposit rate assigned to Krupp Thyssen Nirosta GmbH by the Department in the most recent administrative review of the subject merchandise. This deposit requirement will apply to all unliquidated entries of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this changed circumstances review.

This notice also serves as a final reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to timely notify the Department in writing of the return/destruction of APO material is a sanctionable violation.

We are issuing and publishing this finding and notice in accordance with sections 751(b) and 777(i)(1) of the Tariff Act and 19 CFR 351.221(c)(3) and 19 CFR 351.216.
