Title: Tribal TANF Data Report, TANF Annual Report, and Reasonable Cause/Corrective Action Documentation Process- Final.

OMB No.: 0970-0215.

Description: 42 U.S.C. 612 (section 412 of the Social Security Act as

amended by Public Law 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA)), mandates that federally recognized Indian Tribes with an approved Tribal TANF program collect and submit to the Secretary of the Department of Health and Human Services data on the recipients served by the Tribes' programs. This information includes both aggregated and disaggregated data on case characteristics and individual characteristics. In addition, Tribes that are subject to a penalty are allowed to

provide reasonable cause justifications as to why a penalty should not be imposed or may develop and implement corrective compliance procedures to eliminate the source of the penalty. Finally, there is an annual report, which requires the Tribes to describe program characteristics. All of the above requirements are currently approved by OMB and the Administration for Children and Families is simply proposing to extend them without any changes.

Respondents: Indian Tribes.

Title: Child Care and Development Fund Annual Aggregate Report—ACF-800.

OMB No.: 0970-0150.

Description: Description: Section 658K of the Child Care and Development Block Grant (CCDBG) Act (42 U.S.C. 9858, as amended by Pub. L. 113-186) requires that States and Territories submit annual aggregate data on the children and families receiving direct services under the Child Care and Development Fund. The implementing regulations for the statutorily required

reporting are at 45 CFR 98.70 and 98.71. Annual aggregate reports include data elements represented in the ACF-800 reflecting the scope, type, and methods of child care delivery. This provides ACF with the information necessary to make reports to Congress, address national child care needs, offer technical assistance to grantees, meet performance measures, and conduct research.

Consistent with the recent reauthorization of the CCDBG statute, ACF requests reinstatement and revision of the ACF-800 including a number of changes and clarifications to the reporting requirements and instructions. Most notably, section 658K(a)(2)(F) of the CCDBG Act now requires States to report the number of fatalities occurring among children while in the care and facility of child care providers serving CCDF children. The new data element will be required with the reporting period beginning on October 1 of 2015 (FFY 2016).

Respondents: States, the District of Columbia, and Territories including Puerto Rico, Guam, the Virgin Islands, American Samoa, and the Northern Mariana Islands.
