### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

*Bureau:* International Trade Administration.

*Title:* Application of License to Enter Watches and Watch Movements into the Customs Territory of the United States.

*Agency Form Number:* ITA-334P.

*OMB Number:* 0625-0040.

*Type of Request:* Regular Submission.

*Burden:* 14 hours.

*Number of Respondents:* 11.

*Avg. Hours Per Response:* 1 hour.

*Needs and Uses:* Public Law 97-446, as amended by Public Law 103-465, requires the Departments of Commerce and the Interior to administer the distribution of duty-exemptions and duty-refunds to watch producers in the U.S. insular possessions and the Northern Mariana Islands. Public Law 106-36, enacted June 25, 1999, provides for the distribution of duty-refund benefits for any jewelry within heading 7113 of the Harmonized Tariff Schedule of the United States which is the product of the U.S. Territories and the Northern Mariana Islands in accordance with the new provisions of the note in chapter 71 and additional U.S. note 5 to

chapter 91. The primary consideration in collecting information is the enforcement of the laws and the information gathered is limited to that necessary to prevent abuse of the program and to permit a fair and equitable distribution of its benefits. Form ITA-334P is the principal program form used for recording the operational data on the basis of which program entitlements are distributed among the producers (and the provision of which to the Departments constitutes their application for these entitlements). The form is completed by watch and watch movement manufacturers and has been modified with special instructions for completion by the new jewelry manufacturers. Because the duty-refund benefit has been changed from an annual benefit to a biannual benefit, Form ITA-334P is also used, with modified instructions, to gather the information needed to calculate the interim duty-refund certificate for the jewelry and watch manufacturers.

*Affected Public:* Businesses or other for-profits.

*Frequency:* Semi-Annually.

*Respondent's Obligation:* Required to obtain or retain a benefit.

*OMB Desk Officer:* David Rostker, (202) 395-3897.

### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* U.S. Census Bureau.

*Title:* 2001 Panel of the Survey of Income and Program Participation, Wave 7 Topical Modules.

*Form Number(s):* SIPP 21705(L)

Director's Letter; SIPP/CAPI Automated Instrument, SIPP 21003 Reminder Card.

*Agency Approval Number:* 0607-0875.

*Type of Request:* Revision of a currently approved collection.

*Burden:* 119,378 hours.

*Number of Respondents:* 78,750.

*Avg. Hours Per Response:* 30 minutes.

*Needs and Uses:* The U.S. Census Bureau requests authorization from the Office of Management and Budget (OMB) to conduct the Wave 7 Topical Module interview for the 2001 Panel of the Survey of Income and Program Participation (SIPP). We also request approval for a few replacement questions in the reinterview instrument. The core SIPP instrument and reinterview instrument were cleared previously. The reinterview instrument will be used for quality control purposes.

The SIPP is designed as a continuing series of national panels of interviewed households that are introduced every few years, with each panel having durations of 3 to 4 years. The 2001 SIPP Panel is scheduled for three years and will include nine waves beginning February 1, 2001.

The survey is molded around a central "core" of labor force and income questions that remain fixed throughout the life of a panel. The core is supplemented with questions designed to answer specific needs. These supplemental questions are included with the core and are referred to as "topical modules." The topical modules for the 2001 Panel Wave 7 are Informal Caregiving, Children's Well-Being, Retirement and Pension Plan Coverage, Annual Income and Retirement Accounts, and Taxes. Wave 7 interviews will be conducted from February through May 2003.

Data provided by the SIPP are being used by economic policymakers, the Congress, state and local governments, and Federal agencies that administer social welfare or transfer payment programs, such as the Department of Health and Human Services and the Department of Agriculture. The SIPP represents a source of information for a wide variety of topics and allows information for separate topics to be integrated to form a single and unified database so that the interaction between tax, transfer, and other government and private policies can be examined. Government domestic policy formulators depend heavily upon the
