

aforementioned companies, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to the above listed companies.

#### Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice for those companies with a separate rate.

For the above companies that are part of the PRC-wide entity, Department cannot order liquidation at this time because although they are no longer under review as a separate entity, they may still be under review as part of the PRC-wide entity. Therefore, the Department cannot order liquidation instructions at this time because their respective entries may be under review in the ongoing administrative review. The Department intends to issue assessment instructions for the PRC-wide entity 15 days after publication of the final results of the ongoing administrative review.

#### Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the

proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

This action would continue an inspection program for modified pound net leaders in the Virginia waters of the mainstem Chesapeake Bay. Pound net fishermen must call the National Marine Fisheries Service (NMFS) to arrange for a meeting. At the meeting, they must allow for the inspection of gear to

ensure the modified leader meets the definition of a modified pound net leader, as described in the regulations (§ 222.102). This inspection program is necessary to provide fishermen with the insurance that their leaders meet the regulatory definition of a modified pound net leader before setting their gear, provide managers with the knowledge that the offshore leaders in a portion of the Virginia Chesapeake Bay are configured in a sea turtle-safe manner, and aid in enforcement efforts.
