

Exchange believes that proposed new Rule 757's requirement that Exchange members and organizations report securities accounts to the Exchange should provide the Exchange with the capability to monitor and investigate quickly the trading of securities by personnel that trade on the equity, options, and foreign currency floors of the Exchange.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6 of the Act⁷ in general, and furthers the objectives of section 6(b)(5)⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, and to protect investors and the public interest by requiring disclosure of securities accounts in which Exchange members have a financial interest or power to make investment decisions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange did not solicit or receive written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions

Administrative Review Process, Test of the Elimination of the Fourth Step of Administrative Review in the Disability Claim Process (Request for Review by the Appeals Council) in Conjunction With Testing of Modifications to the Disability Determination Procedures; Disability Claims Process Redesign Prototype

AGENCY: Social Security Administration.

ACTION: Notice of a test.

SUMMARY: The Social Security Administration (SSA) is announcing a test of the elimination of the fourth step of administrative review in the disability claim process (Request for Review by the Appeals Council) in conjunction with the present disability prototype test. Before making any decisions on the merits of the elimination of the request for review, SSA must obtain valid and reliable data on the effects of such elimination—including the impact it may have on agency operations, notices and other procedures, rates of filing to Federal District Courts, and quality and timeliness of service to the public.

DATES: Cases to be included in the test of the elimination of the Request for Review will be selected from those prototype case requests for hearing which are received in servicing hearing offices on or after June 1, 2000, or the date of this notice—whichever is later; and in which an initial application for Social Security Disability Insurance or Supplemental Security Income Disability Benefits was filed effective
