SUPPLEMENTARY INFORMATION:**Description of Information Collection**

Title: Facsimile Signature Authorization and Verification (7 CFR part 718).

OMB Control Number: 0560-0203.

Type of Request: Extension of currently approved information collection.

Abstract: Individuals wishing to conduct business and provide certain signed documents to the USDA Service Center agencies via facsimile machines must complete a FSA-237, Facsimile Signature Authorization and Verification form. The FSA-237 serves as evidence that the individual is willing to conduct business and provide signed documents through facsimile machines. The FSA-211 also provides

the agencies a source to authenticate signatures and transactions in the event of errors or fraud that require legal remedies. The information collected on the FSA-237 is limited to the individual's name, signature and identification number. Individuals must agree to the terms and conditions of conducting business via facsimile machines. Without the collection of this information, USDA service center agencies cannot ensure the authenticity of signatures received via facsimile unless they are supplemented with the original signature.

Estimate of Respondent Burden: Public reporting burden for this collection of information is estimated to average .02 hours per response.

Respondents: Individuals who wish to conduct business with USDA service center agencies via facsimile.

Estimated Number of Respondents: 987,341 hours.

Estimated Number of Annual Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 19,747.

Comment is invited: (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical or scientific utility; (2) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of the information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public records. Comments will be summarized and included in the submission for Office of Management and Budget approval.

Signed at Washington, DC, on June 20, 2003.

James R. Little,

Administrator, Farm Service Agency.
