

recreation fee site and proposed recreation fees in local newspapers and other local publications for public comment. Most of the proposed recreation fees would be spent where they are collected to enhance the visitor experience at the proposed recreation fee site.

A proposed standard amenity recreation fee of \$5 per day per vehicle and \$40 per season or year per vehicle would be charged at Prospect Bluff Historic Site. The National Forests of Florida Day Use Pass and the America the Beautiful—the National Parks and Federal Recreational Lands Pass would be honored at this proposed standard amenity recreation fee site.

Expenditures of recreation fees collected at the proposed recreation fee site would enhance recreation opportunities, improve customer service, and address maintenance needs. Once public involvement is complete,

the proposed recreation fee site and proposed recreation fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.
