#### Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If Navigator's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). If Navigator's weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>15</sup>

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Navigator for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair value (LTFV) investigation (i.e., 7.80 percent)<sup>16</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>17</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Navigator in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 7.80 percent,<sup>18</sup> the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Additionally, Commerce is rescinding this administrative review with respect to 114 companies under review. Interested parties are invited to comment on these preliminary results of review.

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 16, 2022, Commerce published the antidumping duty (AD) order on organic soybean meal from

<sup>15</sup> See section 751(a)(2)(C) of the Act.

<sup>16</sup> See Order.

<sup>17</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>18</sup> See Order.

India.<sup>1</sup> Between May 28 and May 31, 2024, Commerce received requests for an administrative review from Perdue Agribusiness LLC (Perdue), a domestic interested party, and the Organic Soybean Processors of America and its individual members, American Natural Processors, LLC; Professional Proteins, Ltd.; Simmons Grain Company; Sheppard Grain Enterprises LLC; Super Soy, LLC; and Tri-State Crush LLC (collectively, the petitioners).<sup>2</sup> Based on these timely requests for review, and in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated this administrative review of the *Order*.<sup>3</sup>

On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>4</sup> On December 9, 2024, Commerce further tolled certain deadlines by an additional 90 days.<sup>5</sup> On April 28, 2025, Commerce extended the deadline for these preliminary results until no later than July 7, 2025.<sup>6</sup> For a complete description of the events that followed after the initiation of this review, *see* the Preliminary Determination Memorandum.<sup>7</sup>

### Scope of the Order

The product covered by the *Order* is certified organic soybean meal. For a full description of the scope of the order, *see* the Preliminary Decision Memorandum.

### Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation in the **Federal Register**.

Interested parties timely withdrew requests for review for all companies except for Tejawat Organic Foods (Tejawat) and Vinod Kumar Ranjeet Singh Bafna (Vinod).<sup>8</sup> Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review of the *Order* with respect to all companies listed in Appendix II.

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order where it determines that there were no suspended entries of subject merchandise during the POR. Thus, normally, upon completion of an administrative review, suspended entries of subject merchandise are liquidated at the AD assessment rate calculated for the review period.<sup>9</sup> Therefore, for an administrative review to be conducted, there must be a suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated AD assessment rate for the review period.<sup>10</sup> Commerce may rescind an administrative review if it concludes that, during the period covered by the review, there were no entries, exports, or sales of subject merchandise, as the case may be.<sup>11</sup>

The entry data that Commerce obtained from CBP showed no suspended entries of subject merchandise from Vinod. On October 9, 2024, Commerce notified interested parties of our intent to rescind this

administrative review with respect to Vinod.<sup>12</sup> No interested party commented on our intent to rescind this administrative review with respect to Vinod. Therefore, in the absence of any suspended entries of subject merchandise during the POR from Vinod, Commerce is rescinding this administrative review with respect to Vinod, in accordance with 19 CFR 351.213(d)(3) and (4).

### Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Because Commerce preliminarily finds that Tejawat failed to cooperate to the best of its ability in responding to our requests for information, Commerce relied on facts available, with adverse inferences (AFA), in determining this company's dumping margin, consistent with section 776 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as Appendix I of this notice.

### Preliminary Results of Review

Commerce preliminarily determines the following weighted-average dumping margin exists for the period May 1, 2023, through April 30, 2024:

| Manufacturer/exporter       | Weighted-average dumping margin (percent) |
|-----------------------------|---|
| Tejawat Organic Foods ..... | * 18.80                                   |

\* Rate based on facts available with adverse inferences.

### Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce preliminarily applied AFA to the individually examined company, Tejawat, in accordance with section 776(a) and (b) of the Act, there are no calculations to disclose.<sup>13</sup>

## Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), Commerce has modified the deadline for interested parties to submit case briefs to Commerce no later than 21 days after the date of publication of this notice.<sup>14</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>15</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>16</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings Commerce has encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, Commerce instead requests that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>17</sup> Further, Commerce requests that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. Commerce intends to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. Commerce requests that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>18</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of individuals associated with the

requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of issues the party intends to discuss at the hearing. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.<sup>19</sup>

## Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>20</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results in the **Federal Register**.

If Commerce continues to base Tejawat's weighted-average dumping margin upon total facts available, with adverse inferences, in the final results of this review, then Commerce will instruct CBP to assess antidumping duties at a rate of 18.80 percent to all entries of subject merchandise produced and/or exported by Tejawat.

However if Tejawat's final weighted-average dumping margin is not based on total facts otherwise available, with adverse inferences, Commerce intends to calculate importer/customer specific assessment rates by dividing the total amount of dumping for reviewed sales to the importer/customer by the total quantity of those sales.<sup>21</sup> Commerce will calculate an estimated *ad valorem* importer/customer-specific assessment rate to determine whether the per-unit assessment rate is *de minimis*; however, it will instruct CBP to apply the per-unit assessment rate.<sup>22</sup>

For Vinod and the companies listed in Appendix II for which Commerce is rescinding this review, Commerce will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR in

accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the publication of these preliminary results in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

## Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of organic soybean meal from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Tejawat will be the rate established for Tejawat in the final results of this review (except, if this rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 3.07 percent, the all-others rate established in underlying the less-than-fair-value investigation.<sup>23</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

## Final Results of Review

Unless the deadline is otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days after the publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).
