OMB Number: New.

Expiration Date: Not yet assigned.

Type of Request: New.

Abstract: The Forms FNS-735, FNS Regional Office-School Food Authority Agreement and FNS-736, State Agency-School Food Authority Agreement are used to set out the requirements for administering the Child Nutrition Programs and the Food Distribution Program (Child Nutrition Program related portions only) of the U.S. Department of Agriculture (USDA).

On October 31, 1998, President Clinton signed the Child Nutrition Reauthorization Act of 1998 (Pub. L. 105-336). Section 102(d) amended section 9(i) of the NSLA (42 U.S.C. 1758(i)) by establishing two requirements with respect to school food authorities (SFA) which administer any combination of the Child Nutrition Programs under the same State administering agency (SA). First the SA must use a single State/local agreement for all programs operated by the SFA, including an alternate SFA under that SA. This also means that multiple programs operated under an alternate SA must be combined into a single agreement. A SA must use a common reimbursement form to claim meals under all of the programs. Previously, single agreements and common claim forms were permitted at SA option for SFAs administering multiple Child Nutrition Programs under a single SA.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .25 hours per response.

Respondents: The respondents are State agencies, FNS Regional Offices, and School Food Authorities participating in the National School Lunch Program (NSLP), School Breakfast Program (SBP), Summer Food Service Program (SFSP), Child and

Adult Care Food Program (CACFP), School Milk Program (SMP), and Food Distribution Program (FDP—child nutrition program related portions only).

Dated: September 25, 2002.
