## DEPARTMENT OF DEFENSE

### Department of the Navy

[Docket ID USN-2022-HQ-0019]

### Submission for OMB Review; Comment Request

**AGENCY:** Department of the Navy, Department of Defense (DoD).

**ACTION:** 30-Day information collection notice.

**SUMMARY:** The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

**DATES:** Consideration will be given to all comments received by January 23, 2023.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Angela Duncan, 571-372-7574, [whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil](mailto:whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil).

### SUPPLEMENTARY INFORMATION:

*Title; Associated Form; and OMB Number:* USMC Dependency Statement Child Born Out of Wedlock Under Age 21; NAVMC Form 1750/13; OMB Control Number 0703-DEPE.

*Type of Request:* New.

*Number of Respondents:* 20.

*Responses per Respondent:* 1.

*Annual Responses:* 20.

*Average Burden per Response:* 75 minutes.

*Annual Burden Hours:* 25.

*Needs and Uses:* The NAVMC Form 1750/13, "USMC Dependency Statement Child Born Out of Wedlock Under Age 21," is necessary to assist

USMC Installation command representatives and the Marine and Family Programs Division Dependency Determination Section (MFP-1) in properly making informed Basic Allowance for Housing (BAH) entitlement determinations for claimed children under the age of 21 who are born out of wedlock to non-service member partners and do not reside within the household of the service member. The collection provides formal documentation and respondent attestation of overall financial support case facts, which is a particularly critical piece of documentation in cases where the legitimacy of primary dependency status or service member BAH entitlement claim is deemed questionable to the USMC.

*Affected Public:* Individuals or households.

*Frequency:* On occasion.

*Respondent's Obligation:* Required to Obtain or Retain Benefits.

*OMB Desk Officer:* Ms. Jasmeet Seehra.

You may also submit comments and recommendations, identified by Docket ID number and title, by the following method:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

*Instructions:* All submissions received must include the agency name, Docket ID number, and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

*DoD Clearance Officer:* Ms. Angela Duncan.

Requests for copies of the information collection proposal should be sent to Ms. Duncan at [whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil](mailto:whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil).

Dated: December 20, 2022.

## DEPARTMENT OF ENERGY

### Proposed Subsequent Arrangement

**AGENCY:** National Nuclear Security Administration, Department of Energy.

**ACTION:** Proposed subsequent arrangement.

**SUMMARY:** This document is being issued under the authority of the Atomic Energy Act of 1954, as amended. The Department is providing notice of a proposed subsequent arrangement under Article 6 paragraph 2 of the Agreement for Cooperation Between the Government of the United States of America and the Government of the Kingdom of Norway Concerning Peaceful Uses of Nuclear Energy.

**DATES:** This subsequent arrangement will take effect no sooner than January 9, 2023.

**FOR FURTHER INFORMATION CONTACT:** Ms. Andrea Ferkile, Office of Nonproliferation and Arms Control, National Nuclear Security Administration, Department of Energy. Telephone: 202-586-8868 or email: [andrea.ferkile@nnsa.doe.gov](mailto:andrea.ferkile@nnsa.doe.gov).

**SUPPLEMENTARY INFORMATION:** This subsequent arrangement concerns the alteration in form or content of U.S.-obligated nuclear material: (A) unirradiated uranium in the form of fuel pellets and grinding discharges in the amount and composition of 321.5 grams of U-235 in unirradiated highly enriched uranium (HEU) between 90–93 percent enrichment, and 143.8 grams of plutonium; and (B) irradiated uranium in the form of spent fuel rods in the amount and composition of 2,935 grams irradiated HEU (containing a total of 1,838.4 grams of U-235 and 625.2 grams of U-233 and whose pre-irradiation U-235 enrichments were between 90–93 percent) that is combined with 98,371 grams of thorium and 0.5 grams of plutonium. The Institute for Energy Technology (IFE), located in Kjeller, Norway, will downblend the irradiated HEU-containing material identified above so as to result in an enrichment level of 3.5% in the isotope U-235 and in the combined isotopes U-235 plus U-233. The remainder of the HEU (along with other U.S.-obligated nuclear materials, including 9,809 grams of unirradiated low-enriched uranium, 256 grams of natural uranium, 77 grams of depleted uranium, 7,886 grams of thorium, and the 143.8 g of unirradiated plutonium) contained in unirradiated scrap material and grinding discards also will be processed in the same manner. The final form of the U.S.-obligated nuclear material will be a metallic alloy, comprising the uranium, plutonium, and thorium together with additives such as stainless steel, depleted uranium, and reductants, in the form of cylindrical ingots, and will be stored at IFE. The processed U.S.-obligated nuclear material will remain subject to the Agreement for Cooperation Between the Government of
