Certain Oil Country Tubular Goods From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2012-2013

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is rescinding the administrative review of the antidumping duty order on certain oil country tubular goods (OCTG) from the People's Republic of China (PRC) for the period May 1, 2012, through April 30, 2013, based on the timely withdrawal of the review request by United States Steel Corporation (Petitioner). No other interested party requested the instant review.

DATES: *Effective Date:* December 9, 2013.

FOR FURTHER INFORMATION CONTACT: Dena Crossland or Angelica Mendoza, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington DC 20230; telephone: (202) 482-3362 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2013, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on OCTG from the PRC.¹ The period of review (POR) is May 1, 2012, through April 30, 2013. On May 31, 2013, the Department received a timely request from Petitioner to conduct an administrative review of 529 PRC companies in accordance with 19 CFR 351.213(b).² There were no other requests for an administrative review by

any other party. Pursuant to Petitioner's request, on June 28, 2013, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), the Department initiated an administrative review of the antidumping duty order on OCTG from the PRC for the 2012-2013 POR.³ On August 9, 2013, Petitioner timely withdrew its request for review for all 529 PRC companies for which it had made a review request.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, Petitioner timely withdrew its request for a review, and no other interested party requested a review.⁴ Therefore, the Department is rescinding the administrative review of the antidumping duty order on OCTG from the PRC covering the period May 1, 2012, through April 30, 2013, in accordance with 19 CFR 351.213(d)(1).

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of OCTG from the PRC during the POR at rates equal to the cash deposit or bonding rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305 and as explained in the APO itself. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: December 2, 2013.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
