

(c) If the notice of tentative decision is based on any reasons, other than those described in paragraph (d) of this section, including, but not limited to, situations in which the recipient has ineffectively managed Corporation resources or substantially failed to comply with Corporation policy and overall objectives under a contract or grant agreement with the Corporation, the recipient shall be informed in the notice, of the opportunity to submit written material and to meet informally with a Corporation official to show cause why its application for refunding should not be rejected or reduced. If the recipient requests an informal meeting, such meeting shall be held on a date specified by the Corporation. However, the meeting may not, without the consent of the recipient, be scheduled sooner than 14 days, nor more than 30 days, after the Corporation has mailed the notice to the recipient. If the recipient requests an informal meeting, the meeting shall be scheduled by the Corporation as soon as possible after receipt of the request. The official who shall conduct this meeting shall be a Corporation official who is authorized to finally approve the refunding in question, or his designee.

(d) If the notice of tentative decision is based upon a specific charge of failure to comply with the terms and conditions of the grant or contract, alleging wrongdoing on the part of the recipient, the notice shall offer the recipient an opportunity for an informal hearing before a mutually agreed-upon impartial hearing officer. The authority of such hearing officer shall be limited to conducting the hearing and offering recommendations. The Corporation will retain all authority to make the final determination as to whether the application should be finally rejected or reduced. If the recipient requests an informal hearing, such hearing shall be held at a date specified by the Corporation. However, such hearing may not, without the consent of the recipient, be scheduled sooner than 14 days nor more than 30 days after the Corporation mails the notice to the recipient.

(e) In the selection of a hearing official and the location of either an informal meeting or hearing, the Corporation, while mindful of considerations of the recipient, will take care to insure that costs are kept to a minimum. The informal meeting or hearing shall be held in the city or county in which the recipient is located, in the appropriate Service Center or Corporation State Office, or another appropriate location. Within the limits stated in the preceding sentence, the decision as to where the

meeting shall be held will be made by the Corporation, after weighing the convenience factors of the recipient. For the convenience of the recipient, the Corporation will pay the reasonable travel expenses for up to two representatives of the recipient, if requested.

(f) The recipient shall be informed of the final Corporation decision on refunding and the basis for the decision by the deciding official.

(g) If the recipient's budget period expires prior to the final decision by the deciding official, the recipient's authority to continue program operations shall be extended until such decision is made and communicated to the recipient. If a National Senior Service Corps volunteer's or AmeriCorps*VISTA member's term of service expires after receipt by a sponsor of a tentative decision not to refund a project, the period of service of the volunteer or member may be similarly extended. No volunteers or members may be reenrolled for a full 12-month term, or new volunteers or members enrolled for a period of service while a tentative decision not to refund is pending. If program operations are so extended, the Corporation and the recipient shall provide, subject to the availability of funds, operating funds at the same levels as in the previous budget period to continue program operations.

§ 1206.2-5 Right to counsel.

In all formal or informal proceedings under this subpart, the recipient and the Corporation shall have the right to be represented by counsel or other authorized representatives, at their own expense.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 031124287-4060-02; I.D. 040504B]

Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Reallocation.

SUMMARY: NMFS is reallocating the projected unused amount of Pacific cod from vessels using jig gear to catcher vessels less than 60 feet (18.3 meters (m)) length overall (LOA) using pot or hook-and-line gear in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to allow the 2004 A season total allowable catch (TAC) of Pacific cod to be harvested.

DATES: Effective April 7, 2004, until 2400 hours, Alaska local time (A.l.t.), December 31, 2004.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Islands Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2004 final harvest specifications for groundfish of the BSAI (69 FR 9242, February 27, 2004), established the Pacific cod TAC allocated to vessels using jig gear in the BSAI for the period 1200 hrs, A.l.t., January 1, 2004, through 1200 hrs, A.l.t., April 30, 2004, as 1,595 metric tons (mt).

As of April 1, 2004, the Administrator, Alaska Region, NMFS, has determined that jig vessels will not be able to harvest 1,545 mt of the A season apportionment of Pacific cod allocated to those vessels under § 679.20(a)(7)(i)(A) and § 679.20(a)(7)(iii)(A). Therefore, in accordance with § 679.20(a)(7)(ii)(C)(1), NMFS apportions 1,545 mt of Pacific cod from the A season apportionment of jig gear to catcher vessels less than 60 feet (18.3 m) LOA using pot or hook-and-line gear.

The harvest specifications for Pacific cod included in the harvest specifications for groundfish in the BSAI (69 FR 9242, February 27, 2004) are revised as follows: 50 mt to the A season apportionment for vessels using jig gear and 2,961 mt to catcher vessels less than 60 feet (18.3 m) LOA using pot or hook-and-line gear.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA, (AA), finds good cause to waive the requirement to provide prior notice and

opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such a requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent the Agency from responding to the most recent fisheries data in a timely fashion and would delay the reallocation of Pacific cod specified for jig vessels to catcher vessels less than 60 feet (18.3 m) LOA using pot or hook-and-line gear and therefore would cause disruption to the

industry by requiring unnecessary closures, disruption within the fishing industry, and the potential for regulatory discards when the current allocation is projected to be reached on April 24, 2004. This reallocation will relieve a restriction on the industry and allow for the orderly conduct and efficient operation of this fishery.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of

prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 6, 2004.

Alan D. Risenhoover,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
