

on a basket, index, or portfolio of securities by component country, they believe reporting CDS contracts in this way reflects industry practice related to country risk management and will enhance analysis of the data by the agencies and the public. The agencies plan to proceed with the revision as proposed.

Finally, a banking organization stated that the elimination of "Net Foreign Office Claims on Local Residents" on the FFIEC 009a will result in it no longer reporting the voluntary local-office claims and liabilities on derivative contracts items on the FFIEC 009 report. After consideration of this comment and the voluntary nature of these data items, the agencies plan to eliminate Columns 6 and 7 of proposed Schedule D for the reporting of such local office data.

On June 6, 2013, the Director of OFAC, in consultation with the Departments of State, Homeland Security, Justice and other relevant agencies, designated, pursuant to one or more of the criteria set forth in subsections 1(b), 1(c) or 1(d) of the Order, one individual whose property and interests in property are blocked pursuant to Executive Order 13224.
