FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Submitted for Review and Approval to the Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995. *Comments are requested concerning:* (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a currently valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before June 27, 2011. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via e-mail to Nicholas_A.Fraser@omb.eop.gov and to the Federal Communications Commission via e-mail to PRA@fcc.gov and Benish.Shah@fcc.gov. FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Benish Shah on (202) 418-7866.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0053.

Title: Experimental Authorization Applications-FCC Form 702, Consent to Assign; and FCC Form 703, Consent to Transfer Control of Corporation Holding Station License.

Form Nos.: FCC Forms 702 and 703.

Type of Review: Revision of a currently approved collection.

Respondents: Business and other for-profit and not-for-profit institutions.

Number of Respondents and Responses: 50 respondents; 50 responses.

Estimated Time per Response: 0.6 hours (36 minutes).

Frequency of Response: On occasion reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. sections 154, 301, 302 and 303.

Total Annual Burden: 30 hours.

Total Annual Cost: \$3,000.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality. However, if respondents wish to request that their information be withheld from public inspection, they may do so under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: The Commission will submit this revised information

collection to the Office of Management and Budget (OMB) after this comment period to obtain the three year clearance from them. The Commission is reporting a 6 hour increase and a \$600 annual cost increase. The reason for the increase is that the Commission is merging the burden estimates together into one comprehensive experimental authorization application information collection.

The Commission currently has OMB approval for FCC Form 702 under OMB Control Number 3060-0068 and for FCC Form 703 under OMB Control Number 3060-0053. The Commission is revising this information collection (IC) to merge FCC Form 702 into this collection. There is no change in the reporting or *16772 third party disclosure requirements. We are simply consolidating these two information collections into one comprehensive collection. Upon OMB approval, the Commission will discontinue OMB Control Number 3060-0068 and retain OMB Control Number 3060-0053 as the active OMB number.
