## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–549, OMB Control No. 3235–0610]

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

*Extension:*  
Rule 248.30

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 248.30 (17 CFR 248.30) under Regulation S–P is titled “Procedures to Safeguard Customer Records and Information; Disposal of Consumer Report Information.” Rule 248.30 (the “safeguard rule”) requires brokers, dealers, investment companies, and investment advisers registered with the Commission (“registered investment advisers”) (collectively “covered institutions”) to adopt written policies and procedures for administrative, technical, and physical safeguards to protect customer records and information. The safeguards must be reasonably designed to “insure the security and confidentiality of customer records and information,” “protect against any anticipated threats or hazards to the security and integrity” of those records, and protect against unauthorized access to or use of those records or information, which “could result in substantial harm or

inconvenience to any customer.” The safeguard rule’s requirement that covered institutions’ policies and procedures be documented in writing constitutes a collection of information and must be maintained on an ongoing basis. This requirement eliminates uncertainty as to required employee actions to protect customer records and information and promotes more systematic and organized reviews of safeguard policies and procedures by institutions. The information collection also assists the Commission’s examination staff in assessing the existence and adequacy of covered institutions’ safeguard policies and procedures.

We estimate that as of the end of 2020, there are 3,681 broker-dealers, 2,840 investment companies, and 13,788 investment advisers registered with the Commission, for a total of 20,309 covered institutions. We believe that all of these covered institutions have already documented their safeguard policies and procedures in writing and therefore will incur no hourly burdens related to the initial documentation of policies and procedures. Although existing covered institutions would not incur any initial hourly burden in complying with the safeguards rule, we expect that newly registered institutions would incur some hourly burdens associated with documenting their safeguard policies and procedures. We estimate that approximately 1,375 broker-dealers, investment companies, or investment advisers register with the Commission annually. However, we also expect that approximately 20% of these newly registered covered institutions, or 372 institutions, are affiliated with an existing covered institution, and will rely on an organization-wide set of previously documented safeguard policies and procedures created by their affiliates. We estimate that these affiliated newly registered covered institutions will incur a significantly reduced hourly burden in complying with the safeguards rule, as they will need only to review their affiliate’s existing policies and procedures, and identify and adopt the relevant policies for their business. Therefore, we expect that newly registered covered institutions with existing affiliates will incur an hourly burden of approximately 15 hours in identifying and adopting safeguard policies and procedures for their business, for a total hourly burden for all affiliated new institutions of 5,580 hours. We expect that half of this time would be incurred by inside counsel at an hourly rate of
