Food Safety and Inspection Service

Title: Public Health Inspection System.

OMB Control Number: 0583–0153.

Summary of Collection: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031). These statutes mandate that FSIS protect the public by ensuring that meat, poultry, and egg products are safe, wholesome, unadulterated, and properly labeled and packaged.

Industry members use FSIS forms in the Public Health Information System (PHIS). Industry is able to submit some of these forms through a series of screens in PHIS; other forms are available in PHIS only as electronic forms. Paper forms will also be available to firms that do not wish to use PHIS. Food and Nutrition Service

Agency Information Collection Activities: Proposed Collection; Comment Request—Food Distribution Programs

AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice invites the general public and other public agencies to comment on this proposed information collection. This collection is an extension, without change, of a currently approved collection. This collection allows for Food Distribution Programs, such as the National School Lunch Program (NSLP), the Food Distribution Program on Indian Reservations (FDPIR), the Commodity Supplemental Food Program (CSFP), and The Emergency Food Assistance Program (TEFAP), to run effectively. The information reported and the records kept for purposes of review are used by State and recipient agencies, Indian Tribal Organizations (ITOs), and FNS regional and headquarters offices for the purpose of administering USDA Food Distribution Programs. The programs assist American farmers and needy people by purchasing commodities and delivering them to State agencies and ITOs that, in turn, distribute them to organizations for use in providing food assistance to those in need. The information collected allows State agencies and ITOs to administer programs that align with their local preferences and gives FNS National and Regional offices the ability to ensure programs are complying with program regulations and policies.
