

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is April 18, 2011.

The Commission is hereby extending the 45-day period for Commission action on the proposed rule change. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change. In particular, the extension of time will ensure that the Commission has sufficient time to consider and take action on the Exchange's proposal.

Accordingly, pursuant to Section 19(b)(2)(A)(ii)(I) of the Act⁵ and for the reasons stated above, the Commission designates June 2, 2011, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change File No. SR-Phlx-2011-13.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶
