SUPPLEMENTARY INFORMATION:

Title of Collection: Truth in Savings (Regulation DD) 12 CFR 1030.

OMB Control Number: 3170-0004.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Businesses or other for-profits (insured depository institutions with total assets of more than \$10 billion and their depository affiliates).

Estimated Number of Respondents: 146.

Estimated Total Annual Burden Hours: 19,000.

Abstract: The Truth in Savings Act (TISA), 12 U.S.C. 4301 *et seq.* was enacted to enhance economic stability, improve competition between depository institutions, and strengthen consumer ability to make informed decisions regarding deposit accounts by requiring uniformity in the disclosure of interest rates and fees. TISA assists consumers in comparing deposit accounts offered by depository institutions, principally through the disclosure of fees, the annual percentage yield, the interest rate, and other account terms. TISA and Regulation DD require depository institutions to disclose yields, fees, and other terms concerning deposit accounts to consumers at account opening, upon request, and when changes in terms occur. Depository institutions that provide periodic statements are required to include information about fees imposed, interest earned, and the annual percentage yield earned during those statement periods. TISA and

Regulation DD mandate the methods by which institutions determine the account balance on which interest is calculated. They also contain rules about advertising deposit accounts and overdraft services. Regulation DD requires depository institutions subject to TISA to retain evidence of compliance with the regulation. These recordkeeping requirements ensure that records that might contain evidence of violations of TISA remain available to Federal enforcement agencies, as well as to private litigants.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information shall have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Please note that the Bureau may revise the burden estimates of these information collection requirements as it engages in its compliance cost research efforts and obtains data allowing for revisions to its burden calculation methodology. In this regard, the Bureau especially appreciates comments providing insights into the time and effort ("burden") for supervised entities to comply with the recordkeeping and disclosure requirements of Regulation DD. Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record.

Dated: May 7, 2013.

Acting Chief Information Officer, Bureau of Consumer Financial Protection.
