DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

Privacy Act of 1974: Revision to an Existing System of Records; Transportation Security Threat Assessment System (T-STAS)

AGENCY: Transportation Security Administration (TSA), DHS.

ACTION: Notice to alter an existing system of records.

SUMMARY: TSA is altering an existing system of records under the Privacy Act of 1974. The revisions affect the Transportation Security Threat Assessment System (T-STAS), DHS/TSA 002, and will update the "Categories of records in the system" section.

DATES: This action will be effective upon publication.

FOR FURTHER INFORMATION CONTACT: Lisa S. Dean, Privacy Officer, (571) 227-3947.

SUPPLEMENTARY INFORMATION: The Transportation Security Administration (TSA) is modifying the "Categories of records in the system" section of T-STAS, DHS/TSA 002 system of records, to include a new category of information in the system: military service history. This category includes, but is not limited to, what branch of the military an individual served in, their discharge date, and discharge type. T-STAS is a system of records that facilitates the performance of threat assessments and employment investigations on individuals who require special access to the transportation system. The military service history is necessary to allow TSA, during the course of a criminal history records check, to identify any criminal convictions that may have occurred while an individual served in the U.S. Military. T-STAS was most recently published in full on September 24, 2004. See 69 FR 57348, 57349.

Accordingly, TSA amends the "Category of records in the system" portion of T-STAS by revising category "s" and adding a new category "t", at the end of the list of records to read as follows:

DHS/TSA 002**SYSTEM NAME:**

Transportation Security Threat Assessment System (T-STAS).

* * * * *

CATEGORIES OF RECORDS IN THE SYSTEM:

* * * * *

(s) The individual's level of access at an airport; and (t) the individual's military service history.

* * * * *

Issued in Arlington, Virginia, on December 3, 2004.

BILLING CODE 4910-62-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4901-N-50]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Heather Ranson, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not

a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Air Force*: Mr. Albert F. Lowas, Jr., Air Force Real Property Agency, 1700 North Moore Street, Suite 2300, Arlington, VA 22209-2802; (703) 696-5501; *Army*: Ms. Audrey C.
