

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55376; File No. SR-ISE-2007-14]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change as Modified by Amendment No. 1 Thereto Relating to Re-Price Orders

February 28, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 6, 2007, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the ISE. On February 16, 2007, ISE filed Amendment No. 1 to the proposed rule change.³ The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁴ and Rule 19b-4(f)(6) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to add a new order type for the ISE Stock Exchange that would prevent orders from being cancelled back to Equity Electronic Access Members ("Equity EAMs") when the order would either cause a locked or crossed market if displayed or cause a trade-through if executed. The text of the proposed rule change is available at ISE, the Commission's Public Reference Room, and <http://www.ise.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The ISE Stock Exchange has several order types that may result in orders being cancelled back to Equity EAMs when the orders cannot be displayed on the ISE Stock Exchange because the order would create a violation of ISE Rule 2112 by locking or crossing the Protected Quotation⁶ of another Trading Center⁷ or would cause a violation of ISE Rule 2107(b) by trading-through the Protected Quotation of another Trading Center.⁸

The purpose of this filing is to add an order type that will give Equity EAMs the choice of whether to have orders re-priced instead of cancelled. Re-price orders and the unexecuted balance of Re-price orders will be automatically re-priced within the minimum price variation⁹ for display on the ISE Stock Exchange instead of being cancelled. For example, if the National Best Bid and Offer is \$4.06 × \$4.10 and the ISE Best Bid and Offer is \$4.05 × \$4.10 when an Equity EAM enters a Not Routable limit order to sell with a limit price of \$4.05, the order will be cancelled back to the member unless it is marked "Re-Price." If the order is marked "Re-Price," the order will be placed on the ISE Stock Exchange's limit order book at \$4.07, the lowest possible offer price that the ISE can display without creating a locked or crossed market.

2. Statutory Basis

The ISE believes that the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.¹⁰ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹¹

requirements that the rules of an exchange be designed to promote just and equitable principles of trade, serve to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the Exchange believes that this filing will provide investors with more flexibility in entering orders and receiving executions of such orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (1) significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the Exchange has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the filing date of the proposal.¹²

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹³ However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day pre-operative period, which would make the rule change operative immediately. The

If a Not Routable limit order is not fully executed and is not displayable on the ISE, the order is cancelled back to the member. See ISE Rule 2104(i).

¹⁴ *Id.*

Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, because the proposed rule change is substantially similar to a rule previously approved by the Commission.¹⁵ For this reason, the Commission designates that the proposal become operative immediately.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁶

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55380; File No. SR-NASDAQ-2007-014]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change Relating to the Trading of the iShares COMEX Gold Trust Pursuant to Unlisted Trading Privileges

March 1, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 28, 2007, The NASDAQ Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by Nasdaq. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposed rule change on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq is proposing to trade shares ("Shares") of the iShares COMEX Gold Trust ("Trust") pursuant to unlisted trading privileges ("UTP"). The text of the proposed rule change is available from Nasdaq's Web site at nasdaq.complinet.com, at Nasdaq's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is proposing to trade the Shares on a UTP basis. Nasdaq is submitting this filing because its current listing standards do not extend to the Shares. However, systems operated by Nasdaq and its affiliates currently trade the Shares on an over-the-counter basis as facilities of NASD. This filing will allow Nasdaq to trade the Shares as an exchange.

The Shares represent units of fractional undivided beneficial interest in and ownership of the Trust. The purpose of the Trust is to hold gold bullion, and the investment objective of the Trust is for the Shares to reflect the performance of the price of gold, less the Trust's expenses. The Trust is not an investment company under the Investment Company Act of 1940.

The Commission previously approved the listing and trading of the Shares on the American Stock Exchange LLC ("Amex").³ Nasdaq deems the Shares to be equity securities, thus rendering trading in the Shares subject to Nasdaq's existing rules governing the trading of equity securities, including Nasdaq Rule 4630.⁴ The trading hours for the Shares

For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁶ For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers the period to commence on February 16, 2007, the date on which ISE filed Amendment No. 1.
