

The levels set forth above are subject to adjustment pursuant to the provisions of Annex 300-B of the NAFTA.

Products in the above categories exported during 2001 shall be charged to the applicable category levels for that year (see directive dated October 26, 2000) to the extent of any unfilled balances. In the event the levels established for that period have been exhausted by previous entries, such products shall be charged to the levels set forth in this directive.

The foregoing levels do not apply to NAFTA originating goods, as defined in Annex 300-B, Chapter 4 and Annex 401 of the NAFTA. In addition, restrictions and consultation levels do not apply to textile and apparel goods that are assembled in Mexico from fabrics wholly formed and cut in the United States and exported from and re-imported into the United States under Harmonized Tariff Schedule of the United States item 9802.00.90.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
Jim Bennett,
Acting Chairman, Committee for the
Implementation of Textile Agreements.
