8. *The estimated number of annual respondents:* 12.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 1,452.

Representatives of

the State of Nevada, local governments, or affected Indian Tribes must submit a statement of their authority to act in such a representative capacity. The information submitted by the State of Nevada, local governments, or affected Indian Tribes is used by the Director of the Office of Nuclear Material Safety and Safeguards as a basis for decisions about the commitment of the NRC staff resources to the consultation and participation efforts.
