SUPPLEMENTARY INFORMATION: Effective April 15, 2022, the Commission established a general schedule for the conduct of the final phase of its countervailing and antidumping duty investigations on sodium nitrite from India and Russia (87 FR 23567, April 20, 2022), following a preliminary determination by the U.S. Department of Commerce ("Commerce") that imports of sodium nitrite from Russia were being subsidized by the government of Russia (87 FR 22504, April 15, 2022). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on April 20, 2022 (87 FR 23567). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, the Commission conducted its hearing through video conference on June 21, 2022. All persons who requested the opportunity were permitted to participate.

Commerce issued a final affirmative countervailing duty determination with respect to sodium nitrite from Russia (87 FR 38375, June 28, 2022). The Commission subsequently issued its final determination that an industry in the United States was materially injured by reason of imports of sodium nitrite from Russia provided for in subheading 2834.10.10 of the Harmonized Tariff Schedule of the United States ("HTSUS") that have been found by Commerce to be subsidized by the government of Russia (87 FR 51141, August 19, 2022).

Commerce issued a final affirmative antidumping duty determination with respect to imports of sodium nitrite from Russia (87 FR 55781, September 12, 2022). The Commission

Commerce issued final affirmative countervailing and antidumping duty determinations with respect to imports of sodium nitrite from India (88 FR 1042, January 6, 2023; and 88 FR 1052, January 6, 2023). Accordingly, the Commission currently is issuing a supplemental schedule for its countervailing and antidumping duty investigations on imports of sodium nitrite from India.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final countervailing and antidumping duty determinations is Wednesday, January 18, 2023. Supplemental party comments may address only Commerce's final countervailing and antidumping duty determinations regarding imports of sodium nitrite from India. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of the current investigations will be placed in the nonpublic record on Wednesday, February 1, 2023, and a public version will be issued thereafter.

For further information concerning these investigations see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Second Amendment to Consent Decree Under the Resource Conservation and Recovery Act

On January 11, 2022, the Department of Justice lodged a proposed second amendment to a consent decree with the United States District Court for the Southern District of Texas in the lawsuit entitled *United States v. Formosa Plastics Corporation, Texas, et al.*, Civil Action No. 09-00061.

Under the original 2010 consent decree, Formosa Plastics Corporation, Texas, Formosa Hydrocarbons, Inc. (now Formosa Hydrocarbons Company, Inc.) (collectively "FPC TX"), and Formosa Plastics Corporation, Louisiana (collectively "Defendants") agreed to undertake numerous measures to come into compliance with various environmental statutes and regulations at their facilities in Point Comfort, Texas, and Baton Rouge, Louisiana. The Defendants still are in the process of complying with the 2010 Decree and the 2013 First Amendment to the Consent Decree. Under the 2010 consent decree, Defendant FPC TX is required to manage and dispose of its wastewater treatment system sludge as a listed hazardous waste under the Resource Conservation and Recovery Act, 42 U.S.C. 6901 *et seq.* ("RCRA"), because the company treats a RCRA listed hazardous waste (recovered groundwater from its contaminated groundwater treatment system) in its wastewater system. Under the proposed Second Amendment, FPC TX will cease treating the recovered groundwater onsite, and instead send the recovered wastewater offsite to a RCRA permitted hazardous waste treatment, storage, and disposal facility. Accordingly, the RCRA hazardous waste listing will no longer carry through to the wastewater sludge.

In doing so, FPC TX will eliminate the wastewater sludge hazardous waste stream. FPC TX also will clean the wastewater treatment system to eliminate hazardous waste residue.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Formosa Plastics Corporation, Texas, et al.*, D.J. Ref. No. 90-5-2-1-08995. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email	pubcomment-ees.enrd@usdoj.gov
By mail	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

During the public comment period, the proposed second amendment may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the proposed amendments upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

Please enclose a check or money order for \$ 2.25 (25 cents per page reproduction cost) payable to the United States Treasury.
